

Today in the Quad-Cities

Boy's arrest solves 15 burglaries

Granite City police disclosed today that they have arrested a 16-year-old West Granite City boy who allegedly was responsible for 15 burglaries since 1972.

Officers said the boy has made statements implicating three other boys who assisted him in some of the burglaries. The youth burglarized primarily schools, but also entered houses, two taverns and a coin laundry, all since early 1972 when he was 13 years old, officers added.

He named three other boys, one who assisted him in six burglaries, another involved in four and a third youth who assisted in two burglaries, police related.

Burglaries in 1972 included two taverns, Frather Junior High School three times and Old Logan School. In 1973, the youth allegedly burglarized New Logan School four times and the Monday's Maid laundry twice. He also is believed to have committed two house burglaries, one in 1974 and one this year.

Police are seeking the youths named as accomplices, hoping that the additional arrests may assist them in solving other burglaries.

Officers said some of the items stolen in burglaries as far back as 1973 have been recovered and are being held as evidence.

The youth they arrested is to appear in the juvenile courts for a hearing.

Grassroots Government

Granite City Council 5 p.m. Tuesday, Sept. 2, at GC City Hall.

Venice City Council 7:30 p.m. Tuesday, Sept. 2, at Venice City Hall.

Numbers in the Illinois state lottery are to be drawn at 7 p.m. today in Chicago. The drawing of Super Slam numbers will be held Friday. Numbers from both drawings will be published in the Press-Record Tuesday.

Granite Cityans face hike in sewer use fees

By HARRY BARNES

Press-Record Staff Writer

A revision of the rate schedule under which Granite Cityans pay sewer-usage fees appears likely as the result of a decision by the U.S. Environmental Protection Agency that the fees are not high enough. It was learned by the Press-Record today.

The federal EPA's unacceptance of the schedule is enough that the release of further funds through the Illinois EPA to pay for construction work on Granite City's new secondary sewage treatment plant has been held up

until the matter can be resolved.

As a result, city officials report it will be necessary to transfer money from the city's working cash fund account to the treatment plant construction fund to meet the next payment due the G. L. Tarlton Contracting Co. of St. Louis, contractors on the plant construction.

Immediately to comply with the EPA's requirement of a higher sewer fee rate, and thus accomplish a release of additional funds granted by the federal government for the sewage

treatment plant construction, it is conceivable the city could run into problems with the contractor and a possible shutdown of construction work.

City Treasurer Paul Rutledge said the withholding of further plant construction funds by the EPA leaves the city presently without enough money to meet a payment for construction work to the Tarlton firm in early September.

According to Rutledge the next bill is expected to run about \$175,000. The city presently has \$117,000 in the construction account, Rutledge said.

Mayor Paul Schuler said the federal EPA has informed the city it believes the sewer fee schedule should be higher than it now is to take care of a replacement factor in the plant financial structure. The mayor said he feels that this is a duplication of a depreciation factor which was included in the financial program when the rate schedule was adopted.

"We are now negotiating the matter with the EPA and are waiting word from the agency as to what the city must do to fully comply with requirements for grant funds," the mayor said. "Right now we can't take

any action until EPA tells us specifically what it wants."

The mayor said the city is facing one other problem in its compliance with EPA requirements.

"EPA has asked us for a copy of our lease with the U.S. Army for the land at the Granite City Army installation on which the plant is being built. That lease contains a provision giving the Army installation free sewage treatment service. We now understand that any free service is against EPA regulations," the mayor said. The present rate schedule was approved by the Granite

City Council in September 1973 and provides a sewer-usage fee of \$5.10 a quarter for the average household. The cost of sewer service graduates upward depending upon the gallonage of water used in commercial and industrial facilities.

Under the EPA requirements for rate schedules, industries must also pay fees that eventually would repay the construction cost in proportion to their share of usage of the facilities.

Fees under the present rate schedule were placed in effect in August 1974 to provide funds

for repayment of interest and principal on bonds issued by the city to pay its local share of the secondary treatment plant construction.

The federal EPA granted the city \$8.9 million to finance the new treatment plant. Total cost, including engineering fees, will be nearly \$13 million.

While the grant is allowed by the federal agency, the money goes to the state which administers release of the funds as construction progresses. Payments are based on the percentage of completion certified from time to time by the contractor.

GC activates truck route

Granite City Street Superintendent Lionel Portell was instructed by the City Council Monday night to begin immediately the posting of 14th Street from Madison Avenue to Benton Street as a truck route intended to take heavy truck operations out of the downtown area.

The council approved a motion by Alderman Steve Basarich of the Fifth Ward that the truck route, created by ordinance several months ago, be put into use and enforced without waiting for installation of traffic signal lights at 14th Street and Madison Avenue, considered a vital part of the proposed truck routing.

"We created the truck route... Now let's use it," Basarich said, adding that "if we don't get these big trucks off downtown streets somebody's going to get killed."

Portell told the council members, however, that his department will need some engineering work to determine the proper location of signs directing truckers to and over the route.

"There has to be proper sign location to do the job effectively. I am going to need some help on this," Portell said. Mayor Paul Schuler remarked that he was certain Portell and Monroe Brewer, city engineer, "can get together to work this out."

The 14th Street route was designed by the City Council to move heavy trucks off Madison Avenue via 14th Street to Benton, over Benton to Niedringhaus Avenue and thence to FA Route 151. Inbound trucks coming from Route 151 would move in the reverse

direction to Madison Avenue.

This would take heavy trucks off of Nineteenth Street, the downtown portion of Niedringhaus and other downtown area streets. Traffic control signals at 14th and Madison Avenue are to be installed in a city-state project in which the state has offered to pay a share of the cost.

Brewer was asked Monday night the reason for delay in progress on the project, but Brewer replied there was no delay. He said right-of-way problems are being worked out for enlargement of the intersection to accommodate a heavier flow of traffic.

Left-turn signals will be part of the new traffic control system.

Basarich also suggested posting downtown streets with signs prohibiting truck traffic, but City Attorney George Filcoff said this could not be done. He said the ordinance creating the truck route over 14th Street established a route over which trucks must travel.

"You can't pass negative legislation by saying trucks can't travel over this street or that street," he said. He noted that truck traffic automatically is banned off other streets when a specific route for truck travel is established, which, he said, is the case of 14th Street.

The council Monday night also called for "more road blocks and barricades" to

Storm hits area

An electrical storm accompanied by heavy rains that flooded streets and basements and caused several temporary power outages brought 1.55 inches of rain to the Quad-City area Monday night.

The storm struck about 10 p.m. following heavy gusting winds that knocked down tree limbs in scattered locations, but caused no major damage.

The rain which was recorded at the Chain of Rocks locks at 1.55 inches fell over an hour and a half, sending water over the curbs at many intersections. The Illinois Power Co. reported that despite the severe lightning throughout the rainfall, only two circuits were knocked out when line fuses were blown.

One of these was in the Pontoon Beach area, knocking out service for about 25 customers, and the other was in Madison, affecting about 30 customers. The outages were of short duration with power restored as soon as the fuses could be changed, a spokesman said.

The rain brought to 3.11 inches the total rainfall in the Quad-Cities for the first 28 days of the month, 99 of an inch above the month's normal fall of 3.02 inches.

The Quad-Cities received 4.5 of an inch of rain on Aug. 3, .05 of an inch on Aug. 6 and 2.17 of an inch on Aug. 15, 47 of an inch on Aug. 16, and 37 of an inch on Aug. 18.

Propose industrial park site for Madison school

The Madison City Council gave tentative approval for the sale of a 10-acre site at the Maers Industrial Park as a location for a new middle school (high school).

A letter from School Superintendent John L. Palchiff informed the council

that the Madison Board of Education last week made a decision to seek the site.

The letter said, in part: "As a result of the numerous requests and phone calls relevant to the location of the new school, (it was decided) that we make a formal offer to purchase the 10-acre site at the Industrial Park to build the new middle school at the quoted price of \$10,000 per acre, (approximately a cost of \$100,000), contingent upon the passage of the referendum for a bond issue and the acceptance of the offer by the city of Madison and approval by the Capital Development Board on site and price."

"The Madison Board of Education considers this to be a firm bid and would like the City Council to respond."

"The proper choice of site is very important to many people. The council, therefore has an important decision to make."

Fifth Ward Alderman Donald Schenckoff, Ann Triant, Emil Mejski, Joe Thomas, Jerry Zarr, Steve Conkovich, Gary Novich, Andy Yurko, Steve Graklanoff, Andy Besserman and Steve Buchek.

school authorities are following this order. I realize this council does not have anything to do with school board policies, but I think we need to look into this before we sell them city property."

After a brief discussion, the council approved the sale of the

property pending the approval of the Aldermanic Industrial Park Committee and the city's legal department who were directed by Madison Mayor Mike Sasyk to meet with the board and discuss in detail all aspects of the sale before final approval.

Traffic signal cost remains legal issue

By GARY SCHNEIDER

Press-Record Staff Writer

The Nameoki Township Board of Auditors requested a legal opinion Monday night from its attorney, H. Carl Runge Jr., whether the township can legally use revenue sharing funds to pay half of the cost of installation and maintenance of existing school crossing lights at Sixth Street and McCambridge Avenue, between Madison and East Madison.

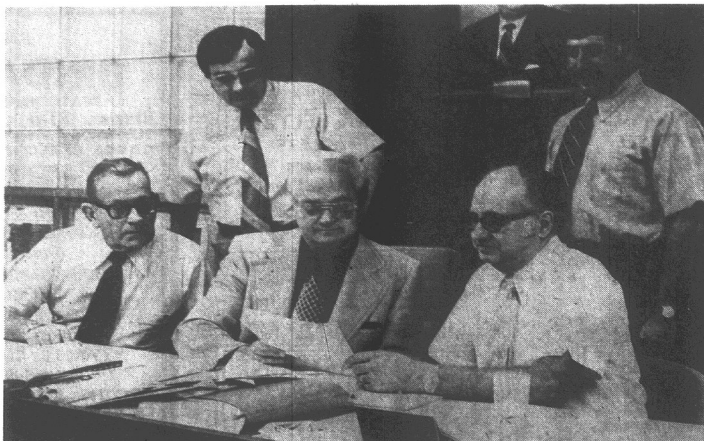

Auditor Norman Hessler made the request, referring to a letter presented to the board at its last meeting in which the

former Nameoki Township Supervisor Harry Briggs pledged that the township would share the cost with Madison of the light installation and maintenance.

In a letter dated Jan. 22, 1969, Briggs sent the late Madison Mayor Steve Maers a letter offering to pay half the cost of the light.

Madison later installed the lights at a cost of \$13,583 and has expended between \$2,500 and \$3,000 for maintenance of it, but Nameoki Township, under a

CROATIAN DAY FESTIVAL PLANNERS.

Completing arrangements for the first Croatian Day Festival, scheduled at 3 p.m. Saturday, Sept. 6, at St. Mary's Catholic Church, Tenth Street and Alton Avenue, Madison, are Madison Mayor Mike Sasyk, center, and festival leaders, Mike Mejski, assistant general chairman, seated left, and William Crnkovich, chairman. Standing are Bill Gushleff, publicity, left, and

George Amisch, ticket chairman. The public is invited to attend the celebration which will include Croatian foods, tamburizma performers, dancing to live music and a Mass sung in the Croatian language. Among others in charge of the festival are John Bilich, Helen Baranovich, Alex Schenckoff, Ann Triant, Emil Mejski, Joe Thomas, Jerry Zarr, Steve Conkovich, Gary Novich, Andy Yurko, Steve Graklanoff, Andy Besserman and Steve Buchek.

Croatian festival Sept. 6

By VALERIE EVENEDEN

Press-Record Staff Writer

St. Mary's Catholic Church in Madison will hold a parish-wide "Croatian Day Festival" on Saturday, Sept. 6, featuring specialty foods and live entertainment.

The occasion also will afford an opportunity for hundreds of families to be reunited and persons from surrounding communities to renew "old" friendships.

William "Bill" Crnkovich, general chairman, said the public is invited to join in the

celebration. Tickets will cost \$4.50 each, if purchased in advance, or \$5 per person on festival day, he advised.

Live tamburizma music will be performed and continuous entertainment will be furnished by five different bands, starting at 3 p.m.

Sept. 6, along with the serving of a lavish assortment of ethnic foods.

Lamb, beef and sausage dinners will be prepared under the supervision of Andy Yurko, Steve Graklanoff and Steve Buchek. All three are

specialists in the preparation and serving of Croatian Causine, a lamb and sausage entree, Crnkovich said.

Among the day's activities will be celebration of the Mass at 6 p.m., with St. Mary's congregation participating in the Croatian language.

The gala festivities will continue throughout the evening hours with dancing and feasting, the chairman said.

The festival will be located on the grounds of St. Mary's.

MR. AND MRS. JAMES T. GRIFFIN, who were united in marriage at St. Elizabeth Catholic Church. The bride is the former Mrs. Joan A. Chlibec, a daughter of Mr. and Mrs. Charles Wade, 26 Del Rio Ave. (Lacey Photo)

Griffin-Chlibec nuptials at St. Elizabeth Church

The wedding of Mrs. Joan A. Chlibec of Granite City and James T. Griffin of Alton was solemnized at 11 a.m., Aug. 16, at St. Elizabeth Catholic Church. The Rt. Rev. Msgr. Lawrence J. Maglino officiated.

Preceding the service a program of nuptial selections was provided by Mrs. Robert Kozielek at the organ.

Parents of the bride, Mr. and Mrs. Charles Wade, reside at 26 Del Rio Ave. The groom is a son of Mrs. Lenora Griffin of Russellville, Ark., and the late James Griffin.

A full-length gown fashioned of ice blue chiffon over taffeta was worn by the bride. Her dress was designed with a square neckline, short puff sleeves and a slightly full skirt. She wore a flat ribbon headpiece in her hair and she

carried a bouquet of white daisies, intermingled with white mums and baby's breath.

The matron of honor, Mrs. Frances Larkin of Alton, chose a floor-length dress created of blue daisies and blue mums.

Lynwood France of Godfrey attended the groom as best man.

A reception and dinner was held at Charlie's Restaurant following the ceremony.

The bride's mother, Mrs. Wade, chose a long pale green and white polka dot frock, A-line in style. Her corsage was made up of white daisies and mums.

A 1965 graduate of Granite City High School, the bride also graduated from Southern Illinois University at Edwardsville, with a major in accounting. She is employed as a cost accountant in the Brass Division at Olin Corp., East Alton.

The groom was graduated from Alton High School and works as a machinist at the Alton plant.

Out-of-town guests included Mrs. Leotta McConnell, Dardanelle, Ark., and Mr. and Mrs. Ray Leonard and daughter, Laurie, of Fayetteville, Ark.

The newlyweds honeymooned at the Lake of the Ozarks in Missouri.

RADIO IS STOLEN

A \$200 citizens' band radio was stolen from the auto of Rusty Bradley, 2007 Richmond Ave., parked at 22nd Street and Madison Avenue, it was reported early this week.

Police subdue man trying to kill self

Police had to subdue a Quad-City area man to keep him from succeeding in killing himself in his car at 22nd and Adams streets at 7:50 p.m. Monday.

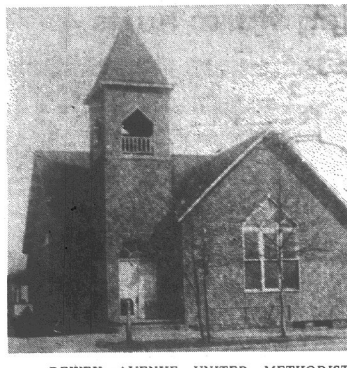

According to a woman friend of the man, he had been despondent lately and had been at a Madison restaurant when he threatened to kill himself.

Granite City police were called a short time later to 22nd and Adams streets where they found the 30-year-old man sitting in his car and bleeding from his left wrist. He was holding a large butcher knife against his right forearm and was threatening to cut it.

Police allowed his woman friend to talk to him in the car, but she was unable to keep him from cutting his right arm. Officers then got her out of the car and subdued the man, forcing him to drop the knife. He was taken by ambulance to St. Elizabeth Hospital where he was admitted.

NEW CHURCH CONSTRUCTED IN 1960 by the congregation of the Dewey Avenue United Methodist Church. The first services were held on Easter Sunday 1961. The 70th anniversary of the church will be observed on Sunday, Sept. 7, marking a milestone in the West Granite City area.

DEWEY AVENUE UNITED METHODIST CHURCH, the original house of worship built in 1905 at 22nd Street and Dewey Avenue, destined to serve the community until 1960 when a new church building was built to replace the small church.

\$1,044 loot

Items valued at about \$1,044 were stolen from the garage and truck of Roger Kieffer, 2433 Terminal Ave., It was reported early this week.

The lock was forced off the front garage doors and entry to the truck was gained by forcing the right vent window open.

Taken were two citizens' band radios, an electric welder, an air compressor, three power saws, three power drills, and some saw blades and drill bits.

FOR THE SOUTHERN DISTRICT OF ILLINOIS NORTHERN DIVISION
Advance Mortgage Corporation
Plaintiff,
vs.
Norman W. Hall Jr., et al.,
Defendant
CIVIL ACTION
NO. P Civ 75 0028
NOTICE OF JUDICIAL SALE

Public Notice is hereby given that in pursuance of a decree entered in the above entitled cause in said court on June 30, 1975, I, CARL H. SLAYBACK, United States Marshal for the Southern District of Illinois, will on October 22, 1975 at 1:15 o'clock P.M. in the lobby of the Court House located in the City of Edwardsville, State of Illinois, sell to the highest and best bidder for cash all and singular the following described premises and real estate in said decree mentioned, situated in the County of Madison, in the State of Illinois, or so much thereof as shall be sufficient to satisfy said decree.

Said sale shall be subject to 1974 general taxes and to any special assessments or special taxes levied against said real estate.

Upon the sale being made the purchaser or purchasers will receive a Certificate of Purchase which will specify the property purchased, the amount paid therefor, and the time when a deed shall issue unless the property is redeemed according to law.

Said property is described as follows, to wit:
East 1/4 of Lot 9 in Block 5 American Gardens A Subdivision as shown on the Plat thereof recorded in the Recorder's Office at Madison County, Illinois in Plat Book 12 page 17; situated in the City of Granite City, County of Madison and State of Illinois; commonly known as 2305 Pershing Ave., Granite City, Illinois.

DATED this 14th day of August, A.D. 1975.

Dewey Avenue Church to mark 70th anniversary

By DONNA HARTWICK
Press-Record Staff Writer

One of the oldest churches in the Quad-City area, the Dewey Avenue United Methodist Church, 22nd Street and Dewey Avenue, will celebrate its 70th anniversary of service to the community on Sept. 6 and 7, beginning with an hour-long parade on Saturday, Sept. 6, followed by various programs and services during the weekend.

The parade will begin at 4 p.m. at the parking lot across from the church and encircle almost all of the West Granite City area before returning to the church for a lawn party and the beginning of the festivities.

All prices for food and games will be set at the 1965 price level, including a supper at 5 p.m. A fellowship and social hour will continue until midnight.

During the evening, slides of former church events will be shown at one-hour intervals for all to view in the church basement. There also will be a large bulletin board with favorite pictures taken during the years of members and former members on display.

The entire congregation is busy completing preparations for the observance under the direction of co-chairmen Mrs. Judy Hinterser and Mrs. Jean Hileman who are co-ordinating the programs and services with the present pastor, the Rev. Dan Powers.

Plans for the anniversary include a special talent presentation during the Sunday School hour at 9:30 a.m. on Sunday, Sept. 7, followed by the morning worship service at 10:30 a.m.

During this service all former ministers of the church will be accorded special honors and a program of religious music will be presented by the youth choir.

The Rev. Dan Powers will deliver the sermon and introduce other dignitaries.

At noon, the congregation will attend the annual church picnic and family reunion at Wilson Park, Shelter 2. Each family is to bring a basket dinner and take part in an old-fashioned pot-luck luncheon.

Later in the afternoon there

will be a baseball game between the men and youth of the church. Fun games also have been planned for the younger set with prizes to be awarded during the activities.

The little church on the corner became a reality after a group of people gathered to discuss plans for a Methodist Church in the community and formed a congregation which held its first services in 1902 at Washington elementary school.

With continued efforts by the initial group, property was purchased and ground broken for the church building on April 15, 1905. The cornerstone was laid on June 29 of the same year.

Under the leadership of the Rev. L. M. Burkhead, the church was organized on Sept. 30, 1905, with dedication services held on Oct. 22.

The first of many revival services was begun by the conference evangelist, the Rev. William Carson, on the night of the dedication.

Expansion projects continued as the members made plans to construct a parsonage on the same lot, fronting West 22nd Street, in 1920.

On Sept. 7, 1930, the silver anniversary of the church was observed with all-day services and a noon basket dinner, with many past ministers and church members gathering to recall the many events which had taken place during the church's existence.

Through the years the church continued to grow and the need for additional room became acute.

Subsequently in 1955, under the leadership of the Rev. Kenneth Young, the adjoining property on Dewey Avenue was purchased to accommodate the Sunday School classes. The temporary educational building was named Wesley House.

The same incentive of the initial group of people who started the church, continued with the congregation as they planned a building fund drive for the new church. It began with ground-breaking ceremonies on Sept. 4, 1960, under the guidance of the Rev. Commodore Grove.

In the intervening years the church held its 50th anniversary

in the fall of 1955.

The building committee pursued its goal of a new church building and after much work the dream became a reality on Easter Sunday 1961 when the doors of the new church were opened and the house of worship was ready for all services.

Pastors who have served the church since its beginning are the Reverends L. Burkhead, C. Hall, W. Dunn, H. Brown, H. Armitage, J. Lee, O. Kinsey, W. Evans, O. Whitlock, J. Campbell, E. Williams, M. Jackson, H. Fish, B. Adams, M. Watson, G. Sneed.

The Reverends G. Humphries, L. Dade, V. Gould, J. Ragdale, P. Groelclauder, R. Clodfelder, R. Hollis, E. Meyers, E. Fox, K. Young, L. Copeland, C. Grove, R. Switzer, J. Ambury, R. Clodfelder and the current minister Rev. D. Powers.

Former members and those who attended the church, as well as past ministers, are invited to attend the events planned for the special observance, according to the Rev. Powers and the planning committee.

Injured in 3-car crash

Kevin Leland, 20, East St. Louis, was injured when his car, stopped westbound on Niedringhaus Avenue to turn west onto Walnut Street, was struck from behind by another car.

Leland said when the car struck his auto, he was knocked unconscious. Leland's auto then moved forward and struck the car of William Austin, Rural Route One, Box 238, Granite City.

The driver who caused the accident then backed up and drove west without leaving his name. He was driving a yellow Dodge with a black door. There were two men inside the car.

Leland was taken by ambulance to St. Elizabeth Hospital with pain to his neck and back. At his request, he was transferred to St. Mary's Hospital, East St. Louis.

BREAK INTO HOME
Nothing was believed stolen, during a break-in at the home of James Richey, 2105 Illinois Ave., early this week. A lock on the rear door was forced open, a bedroom was ransacked and beer cans and lunch meat were thrown around the bedroom.

Mishap during storm hurts 4

Four persons were injured in an unusual accident on Nameoki Road near Wilson Avenue during a rain storm at 11:10 p.m. Monday.

Mrs. Faye Barton, 33, of 3807 Kirkpatrick Homes, stalled in water and Archie Vest, 60, of 1927 Sken St., Madison drove his car in front of hers with the vehicles facing each other, in

order to jump the batteries and help Mrs. Barton start her car. A pedestrian, Ella Angle, 18, of 1433 Norwood Drive, also offered to help. With Mrs. Barton inside her car attempting to start it, Vest and Angle stood in between the two cars to affix the jumper cables. The auto of John Winklemeyer, 18, of 1818 Second St., Madison, approached from the north, struck the rear of Mrs. Barton's car and pushed it forward, pinning Vest's left leg between the two cars and injuring Angle. Angle's head was struck by the fender of Mrs. Barton's auto and his right knee was struck.

Winklemeyer said his vision was obscured by the rain and when he saw the stopped cars, he was unable to stop in time to avoid the accident, his brakes being wet.

All four persons involved were taken by ambulance to the hospital where Vest was admitted for surgery to his left lower leg, which sustained a compound fracture.

Winklemeyer also was admitted with a cut to his lower lip which may require plastic surgery. Mrs. Barton suffered minor injuries and was released after x-rays were taken. Angle also was released after x-rays and treatment of injuries to his right knee and his right hand.

BURGLARY ON IDAHO
A sliding window was forced open and two fishing rods and reels and two six-packs of beer, all valued at a total of \$108, were taken during a burglary at the home of Charles Williams, 2905 Idaho St., early this week.

DRIVE WITH CARE was the word of the day as schools opened throughout the Quad-City area this week. Mrs. Sadie Bringer, school crossing guard, halts traffic at 22nd Street and Washington Avenue as Mrs.

Freda Tucker escorts her son Christopher, 4, to kindergarten at McKinley School, with daughter Charlenea, 2, in her arms.

Arrest boy, 14, GC Jaycees start gift book project

A 14-year-old Kirkpatrick Homes youth was arrested and arrested was sought in connection with a burglary at the home of M. Woods, 2710 Buxton Ave., this week.

A neighbor reported seeing two boys breaking into the house and police arrived minutes later to see two youths flee out the back door of the home.

One was captured in the rear yard. Police identified him as a boy who already was on probation for burglary and sent him to the Madison County Juvenile Detention Home pending juvenile court action.

Police said they recognized the second boy and went to his home at Kirkpatrick Homes. While they were there, the boy returned home, entered, saw officers and fled outside again. He was chased, but eluded police inside the housing project.

Entry to the Woods home was gained by removing a rear window. One youth climbed in the window and opened the rear door for the other boy, the witness said.

Theft charged

Sharon Howland, 30, of the 2800 block of 12th St., was charged with two counts of theft (by possession) after police stopped her car at 1:20 p.m. Monday on Nameoki Road at Kirkpatrick Homes and alleged finding items stolen a short time earlier from Glik's Department Store in the Belleme Village Shopping Center and Gasen's Drugs in Nameoki Village Shopping Center.

At Glik's, employees said a woman entered the store and left with four girls' dresses and a boy's shirt without paying for them. They were valued at \$39. Gasen's employees said a woman entered, took small items with a total value of \$8 and left without paying for the items.

The Granite City Jaycees are sponsoring their first gift certificate program, whereby local merchants are offering free or bonus (two for one) products and services to purchasers of the special gift booklets.

The gift booklets contain more than \$200 in free products and discount services and more than \$100 in bonus dinners at four local restaurants, according to Mike Bledsoe, Jaycee president.

Bledsoe said the project is a "first" for the Jaycees here, but noted that several area Jaycee chapters have conducted similar campaigns "very successfully."

Cyclist is hurt

Joe Williams, 24, of 2228 Bryan Ave., was injured when his motorcycle and the auto of Vincent Fausz, Belleville, collided on Edwardsville Road at the Granite City Steel blast furnace parking lot at 9 p.m. Monday.

Williams was taken to St. Elizabeth Hospital where he was admitted with abrasions to his left elbow, left knee and the right side of his back.

Mrs. Johnson dies at 62

Mrs. Virginia Johnson, 62, of Willow Springs, Mo., a former 35-year resident of Granite City, died Monday at her home of an apparent heart attack.

She and her husband, Cecil, who survives, moved to Missouri six years ago.

Other survivors include four sons, Sergeant Paul Johnson stationed in Germany, Floyd and Wayne Johnson, both of Granite City, and Jerry Johnson of Springfield, Mo.; four daughters, Mrs. Andrew (Norma) Pyburn of Willow Springs, Mrs. Harold (Ruth) Oberfell of Maryville, Mrs. Bill (Cleta) Dean of Granite City and Mrs. Larry (Fat) King of Springfield, Mo.; a sister, Mrs. Ola Downing of Granite City, grandchildren and great-grandchildren.

Two brothers, James and Lawrence Blaylock, and a sister, Mrs. Viola Tucker, preceded her in death. Funeral services are pending at a Willow Springs funeral home.

Kirkland captures season cycle crown

No motorcycle rider from this area had captured the Tri-City Speedway track championship since St. Louisan Neil Keen accomplished the feat back in 1971.

Tuesday evening, during the American Motorcycle Association-sanctioned season finale, 18-year-old Danny Kirkland of Millstadt brought the title back to this area by defeating Texan Guy McClure in the feature race, taking top honors for 1975.

Other track champions since Keen won the crown were: Robert E. Lee, Texas, 1972-73, and Randy Cleek, Okla., 1974. Ironically, McClure lost a bid for the title last year in the season finale here to Cleek by just a few points and had to settle for runnerup honors.

Going into this week's racing program, Kirkland held a slim, two-point lead, 99-97, over McClure in the season point standings on the strength of five feature wins. McClure had won four main events.

Kirkland led the event from start to finish with McClure attempting to charge around him at every opportunity.

But, Kirkland's Neil Keen-prepared racer proved too powerful for the Texan to conquer, and all McClure could do was hang onto the champion's back wheel, all the way to the checkers.

With 12 points awarded to the winner and 11 going to second place, Kirkland edged McClure 111-108 for the point title.

The youthful rider defeated McClure in more than just the title dash. He snapped the old one-lap track record of 15.33 seconds during qualifying time trials which was set by McClure earlier this year, touring the quarter-mile dirt oval in 14.93 seconds.

Kirkland added icing to his championship cake in a special "Masters" race following the regular racing program. The

added event pitted the top eight riders in the point standings with Kirkland and McClure again finishing first and second, in that respective order.

Both Kirkland and McClure captured heat races and semi-main events prior to the title-deciding feature race.

Other race victors were: Texan Jim Guldridge, one heat race; Chris Reitz, heat race; Marty Volmer, heat race; Ron Sisson, consolation event, and John Hatley, semi-main event.

Track promoter Ed Bloom announced that the 1976 motorcycle racing season will begin on May 14 with a special half-mile event, and that the short-track racing season, which had always begun the first Tuesday in June, will get underway on May 18.

Hellrung injured at Speedway here

Larry Hellrung, 27, Alton, was injured Tuesday at Tri-City Speedway while competing in a racing event during the American Motorcycle Association-sanctioned, season-ending program. He was taken to St. Elizabeth Hospital at 9:50 p.m. where x-rays were taken of his left shoulder and arm before being transferred to Alton Memorial Hospital at his request.

TUESDAY, Sept. 2
Wood River at GCHS North 4 p.m.

1975 CYCLE TRACK CHAMPION, Danny Kirkland, 18, Millstadt, captured his sixth feature race of the season Tuesday evening during the American Motorcycle Association-sanctioned racing program at Tri-City Speedway. With the victory, Kirkland edged out Texan Guy McClure for the season track title.

Soccer opener for Steelers Tuesday

The soccer Steelers of Granite City High School North open their 1975 season Tuesday on the road before taking a six-game home stand, with hopes of equaling or bettering their 1974's season record of 20 wins and four losses.

North's season schedule follows:
(Unless otherwise indicated, all scheduled games are varsity and jayvee contests.)

Marathon to aid cancer fight

An estimated 71 Quad-City area business firms and individuals are donating money for each mile completed by former GCHS South track standout Richard Rose Saturday on South High's quarter-mile track during a 12-hour marathon run, beginning at 9 a.m., to raise funds for the American Cancer Society.

Rose, who was one of seven runners this spring to compete in a fund-raising marathon in Madison to help fight cancer, said Saturday's marathon "is a personal thing."

"A very good friend of mine who once was my babysitter died last week of cancer," Rose explained, "so I decided to conduct a fund-raising marathon in her memory."

The friend he spoke of is the late Mrs. Ray Bailey (Bosworth) of Madison who died Friday of the disease while a patient at Barnes Hospital, St. Louis.

All donations received by Rose in his marathon attempt will be given to the American Cancer Society, Alton.

SIGN-UP NOW FOR FALL LEAGUES
TRI-MOR BOWL

PREPARING TO SWING into the Steeler season-opening meet against Lebanon at Arlington Heights Golf Course today are Granite City High School North's three returning golf lettermen—Bob Harper, second from left,

Gary Eaker, third from left, and Dan Harper, right. Coach Russ Chappell, left, is observing Dan Harper's grip, stance and swing during a practice session.

North golf season opens today

The golfing Steelers of Granite City High School North open their 1975 competition 4 o'clock today on the greens of Arlington Heights Golf Course against Lebanon, with first-year coach Russ Chappell at the helm.

Chappell, a school football coach for the past 14 years, resigned his position with the grid Steelers to take over the golfing reins vacated by Harry Lane, who became head golf mentor at GCHS South when last year's Warrior coach Pat Schuman accepted a position as assistant principal at Grigsby Junior High.

"We have been working with about 16 athletes," said Chappell. "Teaching them fundamentals of the sport, and looking closely at the boys' grip, swing, and dedication to competing toward an overall team effort."

Chappell noted that the squad has only three returning lettermen—Seniors Bob Harper and Gary Eaker and Sophomore Dan Harper.

Tim Behrens, the only Steeler to advance to sectional competition last year, has since graduated and "we have lost four other players from last year's squad, which posted a 6-13 season record, for various reasons, so we have an inexperienced team."

Those who headed the team last year, but have not returned are: Bob Behrens, Paul Behrens, David Decker, Brian Winfield, Russ Chappell Jr. and Jim Louis.

The head mentor said Juniors Doug Kraus and Bob Palmer

have two years' experience in the sport and are back with the team now, though they did not letter last season.

Chappell also noted that two seniors are vying for starting spots who have never played for North before—Mike Davis and Richard Hermes.

"I think one of the most interesting aspects of this season will be eight-school "scram-

bles" meet we have scheduled here on Sept. 20," said Chappell.

In scramble competition, a pair of three golfers tee off at the first hole, and all then begin shooting from a spot where the closest ball to the hole has landed.

"It breaks the routine of dual-matches," Chappell said, "and provides players with opportunities to earn individual trophies."

Schools competing in the scramble meet will be Wood River, Highland, Alton, Salem, Centralia, GCHS South, Jerseyville and North.

Following today's season opener, North next plays host to Wood River on Tuesday at 4 p.m.

Women's Labor Day softball tournament begins Saturday

A seven-team women's Labor Day softball tournament, sponsored by the Granite City Park District, will begin Saturday and continue through Sunday, and conclude Monday with championship contest scheduled for 7 p.m. at Wilson Park.

Competing teams are Sammy's Tavern, Kentucky Fried Chicken, Collinsville Basecoaters, Bill's Auto Body, Mercer's, Collinsville Angels, and Petrillo Produce.

will play each other Sunday night at 9 o'clock.

A loser bracket schedule, team's which suffered a loss in championship bracket competition, starts Sunday with contests at 6, 7, and 8 p.m.

Two loser bracket games are on tap Monday, at 1 p.m. and 2:15 p.m., with the victor of the latter contest representing that bracket in Monday's tournament title game against the survivor of Sunday's 9 p.m. championship bracket game winner.

Extend Tri-City race dates

Tri-City Speedway's 1975 late model and sportsman weekly stock car racing program was to have ended with a championship event on Sept. 12, but promoter Ed Bloom has decided that competition in both classes will continue until Sept. 27 here.

Both divisions compete again Saturday beginning at 7:30 p.m. To late model driver Russ Wallace, of Arnold, Mo., the season extension means a chance to win more of the posted prize money each week, and possibly that division's track championship on the half-mile dirt oval.

Wallace's closest competitor, Bill Myers of Rosewood Heights, would have to win

every remaining heat race, handicaps and feature event to even come close to the Wallace's 4,685 points. Myers has 3,285 points.

Runnerup honors still are up for grabs, however, between two late model pilots—C. C. Corbin of East Alton with 2,465 and Sandy Anderson of St. Louis with 2,500 points.

The elder Wallace's son, Mike, still heads the sportsman division point list with 2,875 after capturing his sixth feature race win last Saturday on the smaller quarter-mile oval here.

Four Granite City drivers remain within striking distance of the leader.

Defending sportsman track titlist, Rod Bailey, trails

Get \$1,000,000 or more: Unlimited Major Medical with Blue Cross and Blue Shield

365 days of covered hospital benefits with Blue Cross paying 80% for each illness or accident. No dollar limits. No physical examination required.

Blue Shield helps pay the usual and customary doctor's fees for operations, in-hospital medical care, obstetrical, medical-surgical assistants and other needed

Mercer faces busy weekend

For Mercer's baseball squad, defending champion of the Illinois Inter-City League, the whole 1975 season has been narrowed down to one big bundle called the Labor Day holiday weekend.

The local nine must produce a three-game winning streak this weekend to at least force a fourth-place tiebreaking game with Fairfax, with the victor advancing to league playoffs which begin Sept. 7.

Mercer travels to East Alton at 1 p.m. Sunday for a twin bill with the Vans, and then ventures to Fairfax Monday for a 2 p.m. single contest.

With only the top four teams in league standings at the end of Monday's competition, the win-loss record of each team is: Highland-Pierron 18-19, Panama 15-11, Vans 15-12, Fairfax 14-13, Mercer 12-15, Troy 8-22.

Other contests on tap this weekend are: Fairfax at Panama on Sunday, and Panama at Highland-Pierron on Monday.

Braves end successful 33-10 year

The secret of a successful baseball team is to get nine players working toward a common goal, and when a coach can get 17 players working toward that same goal, he has the Granite City Braves who this season compiled a 33-10 record in their second year of existence.

That mark included runnerup honors behind Belleville in Central Illinois Traveling League competition, a state Khoury Class B championship, and a sweep of the East Alton tournament. In 1974, the Braves finished the year with a 30-11 mark.

An example of how hard the Braves worked toward a common goal, was seven of their 10 losses this season were by only one run, and they

allowed only four opposing teams to score more than six runs against them.

"Hit and run baseball is what I and Assistant Coach Ray Smith attempted to instill in the players before the season began," recalled Coach Ron Madden, "and, by golly, it has paid off for two seasons now."

Madden explained his philosophy, saying, "we try to jump to an advantage (scoring) within the first couple of innings. This affects opponents mentally and really puts pressure on them."

"The key to winning any ballgame," he added, "is to apply offensive pressure while playing air-tight defense."

With a steadfast defense, a pressure offense and dominating pitching, the

Braves put a severe strain on every opponent. The infield of Jim Cedar, Mike Clark, Randy Smith, and either John Lakin or Paul Evans, made very few "costly" mistakes, but even then, they were backed up by excellent outfielders such as Jim Jackson, Ed Prasma, Eldon Warfield and Tom Manocogan.

The pitching staff sparked as well as any junior division squad. John Lakin (9-1) Paul Evans (6-2), Mike Hankins (6-0), Randy Lyerla (2-1), John Slay (4-2), Tim Kirksey (1-1) and Rick Fancher (1-2), all contributed immensely to the season.

An example being in July when the Braves pitching staff had been strained with a five game weekend, Tim Kirksey

pitched a 2-hit shutout against Highland in an important league game. The backbone of the staff was Lakin, Evans, Hankins and Lyerla, with Evans and Lyerla each tossing no-hitters this year. This was with a quartet of excellent catchers and Kieth Champion who always gave the hurlers the much needed confidence.

Offensively, as a team, the Braves batted .307 for 43 games with Lakin (.380) and Smith (.371) leading the pack. Warfield, who joined the team in the latter part of the season hit at a .525 pace and Brian Sikes, seeing limited action, had 21 hits in 44 trips for .477 mark. Lakin had the most hits with 48 in 113 trips. Smith had 42 in 113.

Warrior football passes available

Granite City High School South announces that adult season passes for the Warrior's home football games will be available at the school's main office starting Tuesday at a cost of \$5 per person.

Normally, adult admittance for each game is \$1.50. South's five home games start Friday, Sept. 5, against GCHS North.

Seek referees

The Granite City Park District is seeking persons to serve as referees during its fall flag football season which begins Sept. 15.

Interested park district residents should be high school graduates and have a knowledge of rules and fundamentals of the sport. Further information may be obtained by contacting Mike Jesse at the park office, 877-3059.

Hockey meeting

The Granite City Amateur Hockey Association's 1975-76 budget, playing rules, money-making projects and appointment of coaches for the fall season will be topics of discussion at an association meeting this evening at 7:30 p.m. in Room Three of the Namook Recreation Center, Amos and Franklin avenues.

Holiday ball tourney winds toward ending

Half of the original 24 teams which started in a men's softball holiday tournament at Worthen Park Monday are still alive in the championship bracket of the Granite City Park District's double-elimination competition.

Sammy's Tavern, Imperial Mobile Homes, McDonald's, Metro-East Merchants, Eagles, Jets, Mendoza Sporting Goods, Bethel, Croatian Home Two, Victory Tavern, VFW Post 1300 and Buzz's Tavern. The event concludes at 7 p.m. Monday with a title contest.

Scheduled to compete today at Worthen Park in championship bracket contests are: Eagles vs. Jets at 6 p.m.; Mendoza vs. Bethel at 7 p.m.; Victory Tavern vs. Croatian Two at 8 p.m. and VFW vs. Buzz's at 9 p.m.

Championship bracket games on tap tomorrow are: Sammy's

vs. Imperial at 6 p.m.; McDonald's vs. Merchants at 7 p.m.; and games at 8 and 9 p.m.

Competition in the losers' bracket begins tomorrow also, with teams playing at: Wilson Park—6, 7, 8, and 9 p.m., and Worthen Park—9, 10, 11 and 12 p.m.

Loser bracket contests resume Saturday with contests at 2, 3, 4, 6, 7, 8, 9, and 10 p.m., and pick up again on Sunday with contests at 7, 8, 10 and 11 p.m.

Three championship bracket games also will be played Sunday, at 5, 6 and 9 p.m., with the winner of the latter contest advancing into the tournament championship game on Monday.

Contests Monday in the losers' bracket are to be played at 2 and 6 p.m. with the victor of the latter contest representing that bracket in the tournament championship contest.

North grid drill shows 'enthusiasm and desire'

Granite City High School North's varsity grid squad held its first game-type scrimmage yesterday and Coach Tom Wyrostek feels, "the enthusiasm and desire displayed by the players is encouraging, but we still have to work on correcting mental mistakes and on improving inexperienced players."

Wyrostek said the actual game-condition hitting is good and that the defensive line is smaller than most teams, "meaning it will have to work harder at getting the job done."

North lost its entire starting defensive line through graduation, leaving the Steelers with the task of building a new wall.

On the offensive side of the line, Greg Corey has been named the Steelers' starting quarterback with Doug Rains standing ready to guide the team, if necessary.

Parade to open 3-day Newport Homecoming

A parade, dancing, food, and the renewing of old friendships will highlight the fifth annual Newport Homecoming in Lee Park, Venice, over the Labor Day Weekend.

The event will begin with a parade at 10 a.m. Saturday, leaving from the intersection of Lee Park, near Line alley, and ending at Lee Park.

A reviewing stand will be set up at the intersection of Bissell and Klein streets.

Boy Scout Troop 45, sponsored by the Dunbar PTA, will lead the parade, which will include the Memorial Legion Drum and Bugle Corps and drill team; John Parr Shrine Lodge No. 8 mechanized units and floats including the Madison and Venice fire departments.

Venice Mayor William M. Ebersold, Janice Williams, last year's Queen; David Barrett, association president and Venice and Madison city officials also will be in the parade.

The homecoming ball will be held Sunday at the Venice-Madison American Legion hall beginning at 9 p.m. with music by Clyde Jones and the Playatts.

The traditional homecoming breakfast will be served from 9 a.m. to noon on Monday, Sept. 1, in the Venice Recreation Center.

Other activities will include numerous softball games, concession stands and specialized food booths.

Buys 100 shelters for bus patrons

An order for 100 new passenger shelters has been placed by the Bi-State Development Agency, Robert J. Baer, the agency's executive director, announced this week.

"The shelters," Baer said, "will be placed at heavily-used bus stop locations and transfer points throughout the city of St. Louis, St. Louis County and the metropolitan area in Illinois. The Bi-State Development Agency plans to purchase an additional 570 passenger shelters by 1980. These are to be installed at the rate of approximately 100 per year."

The order for the first 100 shelters was placed with Daylite Window Systems,

Brookfield, Wis., the lowest, responsible bidder on this Bi-State project.

The shelters will be made of stainless steel with Lexan window panels. Lexan, a polycarbonate material, is highly resistant to impact and practically shatter-proof. The shelters will be equipped with aluminum benches and map-schedule holders.

"Our specifications for the shelters," Baer said, "emphasized superior attractiveness of appearance and required that they be as vandal resistant and maintenance free as possible."

Bi-State placed primary

emphasis on passenger safety and comfort," Baer added.

"The 'see-through' Lexan window panels will provide maximum visibility inside the shelter for passenger security."

Cost of the first 100 shelters is \$126,556. They are being purchased under a federally-funded \$15,540,894 transit improvement project which included the recent purchase of 240 new buses, two-way radios and station equipment, shop and office equipment and utility vehicles.

Of the \$15,540,894, 80 per cent or \$12,432,696 was provided by a federal grant through the U.S. Urban Mass Transportation Administration. The local matching share \$3,328,255 was provided by Bi-State Development Agency capital funds through the one-half cent transportation sales tax in St. Louis and St. Louis County and a grant from the State of Illinois.

2-year assignment for DuBois

Garrett C. DuBois, an assistant professor of chemistry at Southern Illinois University at Edwardsville, has accepted a two-year assignment as a research chemist with the National Institute of Arthritis, Metabolism and Digestive Diseases (NIAMDD) at Bethesda, Md.

DuBois will report Sept. 1 to the Section on Oxidation Mechanism of the NIAMDD's Laboratory on Chemistry. According to Donald Jerina, chief of the section, DuBois will conduct studies on "the mechanism of action on the oxidative enzyme cytochrome P-450. This research will center on the production of cytotoxic and potential carcinogen benzo pyrene."

Jerina said DuBois also will have an opportunity to supplement his research training in chemistry and biochemistry, "which will be utilized when he returns to the university."

The National Institutes of Health of the Department of

Health, Education and Welfare will reimburse SIUE for DuBois' salary, fringe benefits and travel costs. DuBois plans to return to the University at the end of the two-year period.

Teresa Mandrell and Barry Johnson are wed

Miss Teresa Marie Mandrell, a daughter of Mr. and Mrs. Robert Roy Mandrell, 1423 Roth Hill Drive, Maryland Heights, Mo., and Barry James Johnson, a son of Mrs. Margaret E. Johnson, 4000 Braden Ave., exchanged wedding vows on Aug. 18 at Grace Baptist Church.

The Rev. William Duvall officiated at the 2 o'clock afternoon double ring ceremony. Sister Ann Paris sang "The Wedding Song" and "Beginning Today" preceding the arrival of the bride party.

Honor attendant Christine New wore a long yellow satin dress. The bride had short lace

sleeves and was belted in the back.

She held an arrangement of yellow flowers.

The groom chose Edward Wiesehan as his best man.

A reception was held immediately following the ceremony in the church fellowship hall.

For her daughter's wedding, Mrs. Mandrell selected a long pink crepe gown with sheer sleeves, accented with a pink beaded belt.

The groom's mother, Mrs. Johnson, was attired in a formal-length dress. The white bodice was enhanced with an embroidered yoke, long sheer sleeves and a blue skirt.

Both mothers wore white carnation corsages.

The bride is employed as a registered nurse at St. Elizabeth Hospital. Her husband works as a safety and security officer also at the hospital.

They are now residing in Granite City.

MR. AND MRS. BARRY J. JOHNSON, who were united in marriage at Grace Baptist Church. The bride is the former Miss Teresa Marie Mandrell, a daughter of Mr. and Mrs. Robert Roy Mandrell of Maryland Heights, Mo.

(Lazby Photos)

College tasks for GC student

Miss Elaine Todoroff, daughter of Mr. and Mrs. Nick Todoroff Jr. of Granite City, has been named a member of the honor board and elections committee at William Woods College, Fulton, Mo.

The Granite City High School graduate was chosen for the elections committee by the College Government Association cabinet.

Members of the committee conduct the freshman election and the C.G.A. and Council of Classes election in the spring by working at the polls, counting ballots and conducting run-off elections when necessary. They also coordinate all activities involved in campaigns of student candidates.

An Academic Honor Code was developed at William Woods to create an atmosphere of integrity throughout the academic portion of student life, school authorities explained. The Honor Board maintains cooperation within the code and acts upon any reported cases which involve violations.

The William Woods College curriculum offers bachelor of arts and bachelor of science degrees in 28 major disciplines and a bachelor of fine arts degree in Art and Theatre Arts.

AUGUST BRIDE. Mrs. Bradford A. Kopitsky, the former Miss Donna Sue Peterson, who was married in the Religious Center at Southern Illinois University at Edwardsville. She is a daughter of Mrs. Helen R. Peterson, 3111 Colgate Place, and the late B. D. Peterson.

(Governance Photography)

Donna Peterson marries Bradford A. Kopitsky

The Religious Center at Southern Illinois University at Edwardsville was decorated with wicker baskets filled with apricot, white and green blossoms for the wedding on Aug. 23 of Miss Donna Sue Peterson and Bradford Alan Kopitsky.

Officiating at the double ring ceremony at 7:30 p.m. were the Rev. Bob Worley and Rabbi Bertram Klausner.

Soloist Miss Mary Whitson was accompanied by Jack Jenkins at the organ. Nuptial selections included "We've Only Just Begun," "Wedding Song" and "The Lord's Prayer."

The bride is a daughter of Mrs. Helen R. Peterson, 3111 Colgate Place, and the late B. D. Peterson. Parents of the groom, Mr. and Mrs. Frank Kopitsky, reside at 10850 Country View, Creve Coeur, Mo.

For her wedding, the former Miss Peterson chose an A-line organza gown made with a detachable train and complemented with a chapel-length mantilla veil. Her veil was edged in scalloped lace and secured to a lace profile cap.

Chantrelle accented the scoop neckline and extended to the bodice and skirt, forming a panel to create a curved design along the hemline.

Lace motifs were applied to the bishop sleeves and chapel train. She carried a Bible topped with white Sweetheart roses.

Miss Deana Peterson, a sister of the bride, was honor attendant. Miss Nelda Upchurch of Tucson, Ariz., and Miss Patti Farber served as bridesmaids. Kathy Brownstein was the

junior maid. The latter two are cousins of the groom.

The attendants selected identical halter-style dresses of green and apricot plaid worn with long sleeved bolero jackets. Each held a colonial bouquet of apricot-colored carnations with white Sweetheart roses.

The groom chose his brother, Robert Kopitsky, as his best man. Tom Street of Springfield, Mo., Andrew Jarret of Springfield, Ill., and Ross Gersten and Richard Katz, both of St. Louis, completed the corps of groomsmen and ushers.

Mrs. Peterson, mother of the bride, was attired in a floor-length mini green ployester gown with a matching long sleeved jacket. She wore a corsage of white Sweetheart roses.

The groom's mother, Mrs. Kopitsky, appeared in a formal length dress of turquoise and apricot floral print designed with long sheer sleeves. She wore a wrist corsage of white roses.

Guests were received by the newly married couple at a reception held at the Suburban Baptist Church Fellowship Hall.

After a wedding trip to Miami Beach, Fla., the couple will reside in Warrensburg, Mo.

Both the bride and groom are graduates of Drury College. The former Miss Peterson is employed as a medical technologist at the Lexington (Mo.) Memorial Hospital.

Her husband, a member of Alpha Epsilon Pi Fraternity, is a graduate student at Central Missouri State University, where he is majoring in clinical psychology.

TO MARRY. Miss Christine Toth and Bradley Fine, son of Mr. and Mrs. William J. Fine, 2 Tulip Ave., whose engagement is being announced by the bride-elect's father, Julius S. Toth, and her grandmother, Mrs. Elizabeth Star, both of Granite City. Wedding plans are indefinite at the present time.

(Hollywood Andrews Studio)

Children to enter church parade

The lower and upper primary Sunday School classes of Dewey Avenue United Methodist Church met last week in the home of Mrs. Judy Hinterser, 3707 Fair Oaks Drive, a class teacher.

Class members spent the evening making decorations for a float they will enter in a parade marking the church's 70th anniversary celebration, scheduled during the weekend of Sept. 6.

Also discussed was a game booth to be set up on the church lawn after the parade. Each class will provide a booth, featuring games or refreshments and will assist in various events at the celebration.

Mrs. Hinterser served refreshments after the planning session to David Williams, Glenda Krug, Joel Donley, Dawn Padgett, Jeff Hecht, Jeff Hutchinson, Mrs. Marlene Taylor, also a class teacher; Miss Glenda Moore, advisor; Jill Donley, Elizabeth Taylor and guests, Andy, Chris and Todd Hinterser.

Schools purchase supplies

Industrial education and building supplies totaling \$10,387 were purchased by the Granite City Board of Education at its last meeting. The total includes supplies totaling \$3,158 for the building trades program, \$1,472 for the automotive industrial education classes and \$5,757 for welding gases.

Great Central Lumber Co.

was selected to supply all of the building trades supplies as low total bidder.

The welding gases were ordered purchased from Welder & Industrial supply as low total bidder from two bids accepted. Houser Automotive was awarded contracts totaling \$1,399 for automotive classes and National Auto Supply was selected for purchases totaling \$73. Both local firms were

selected as suppliers for the district for automotive parts throughout the year.

Print Mart, Inc., was the lowest of two bidders for printing 6,000 books for the police Officer Friendly program and 6,350 "Junior Citizen Award" certificates for that program. The bid was \$1,099.

James A. Rankin & Associates, lower of two bidders

on a service contract to repair and service the rooftop heating and air conditioning units at North High School, was awarded a \$9,474 contract for the work.

A \$12,408 one-year service contract proposal for the same work at Johnson Elementary School by Honeywell Inc., was rejected as being too high, the board felt, and the maintenance personnel were instructed to continue to use Midwest Gas Co., the present company servicing the units, on a stand-by basis at \$22 per hour plus

material.

In an attempt to reduce the high cost of replacing broken windows at the Granite City High School South Cafeteria, the board awarded Southern Illinois Plate Glass Co. a contract for \$8,285 to divide the cafeteria's windows in half using porcelain panes.

It was noted that last year the district spent \$2,500 having the windows replaced after vandalism incidents. Tully A. Heubner, director of business affairs, noted the larger windows have to be replaced by

professionals, while the smaller windows can be replaced, at less cost, by school district maintenance personnel.

Three other firms bid on the work to divide the windows. Midwest Uniform Rental submitted the lowest of three bids for servicing the district's cleaning mops and was accepted to do the work for the year.

Six firms bid on supplying chemicals for boiler water treatment for the district and American Water Conditioning Inc., was selected as low as

\$1,365.

George Weis Co. was the lowest of three bidders to supply acoustical tile for replacement and remodeling of schools with a total bid of \$1,485.

Contracts totaling \$1,558 were awarded to the two bidders on chair glides used at all schools for chairs and desks. John J. Connell Co., Inc., is to supply 4,500 glides for \$1,062, and the Paul O. Young Co. is to supply 2,000 glides for \$496.

The board granted permission for a special purchase of two printing calculators

costing \$234 each from the Singer Business Co. Bids for the calculators were not sought, since when bidding for the same calculators this spring, Singer submitted the low bid.

Bids for cheerleader uniforms were rejected and will be rebid, since the lowest bid failed, through a technicality, to meet the district's specifications. A \$805 contract was awarded to Champion Products to supply sweatshirts, sweat pants and knee pads.

Cafeteria bills totaling \$20,698 were ordered paid.

ROBERT O'MARA JR.

Select O'Mara

Airman Robert J. O'Mara Jr., son of Mrs. Mary E. Leadlove, 2025 Fifth St., Madison, has been selected for technical training in the U.S. Air Force aircraft equipment maintenance field at Chanute AFB, Ill.

The airman recently completed basic training at Lackland AFB, Tex., where he studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman O'Mara is a 1975 graduate of Madison High School.

ENDS TRAINING POST

Army Private Jeff W. Kee, son of Mr. and Mrs. Jesse W. Kee, Rural Route 2, Granite City, has completed the new "One Station Unit Training" program at Fort Polk, La. OSUT provides basic and advanced training with the same unit, on the same post.

U.S. engineers to review Alton locks, dam project

Lieutenant General William C. Gribble Jr., chief of the Army Corps of Engineers, has requested the Board of Engineers for Rivers and Harbors to review the report released last week by the corps' division office at Vicksburg which analyzes and evaluates solutions to the capacity and structural problems of Locks and Dam 26 on the Mississippi River near Alton. A supplemental environmental impact statement also will be reviewed by the board.

The authority of the Corps of Engineers to replace the existing Locks and Dam 26 with a new structure under existing federal laws was challenged in a lawsuit in federal court which ordered the project delayed "until the defendants obtain the consent of the Congress and cure the defects of the environmental impact statement."

The study to develop and evaluate solutions to the capacity and structural problems at Locks and Dam 26 and the preparation of a supplemental environmental impact statement were undertaken by the Corps of Engineers to meet the requirements of the court order and to assist the Congress in resolving the issues involved.

The Locks and Dam project is a key element of the Mississippi River navigation system which serves the vast heartland of the United States. Its importance to the nation's economy and social well being as well as its impacts on other modes of transportation and the environment are being studied.

The chief of engineers also announced that another public hearing will be conducted by the Corps' St. Louis District Engineer at the Gateway Hotel, St. Louis, at 10 a.m. on Sept. 1. The meeting will be held in response to requests from interested parties, including the Association of Western Railroads.

Representatives of the Board of Engineers for Rivers and Harbors and of the chief of engineers' office will attend the public meeting to obtain firsthand insight into the issues raised.

Comments on the report and environmental impact statement received by the Office of the Chief of Engineers by Sept. 15 will be sent to the Board of Engineers for Rivers and Harbors to assist them in their review of the two documents.

The board will conduct a review of the report and the environmental impact statement, all supporting documents, letters received and views expressed at both public meetings before making recommendations to the chief of engineers after Sept. 15, General Gribble said.

Water transportation projections included in the report indicate that the maximum capacity of the existing lock, 73 million tons annually, will be reached within seven years. Also, the 37-year old structure requires major

rehabilitation. The recommended plan provides for construction of a replacement structure approximately two miles downstream of the existing structure near Alton.

The proposed new structure would consist of a dam and two parallel locks, each 110 feet wide and 1200 feet long.

General Gribble said that if he should consider recommendations which differ substantially from the conclusions of the report, interested parties would be notified and given further opportunity to comment prior to final action.

JEFFERY BEYER

Completes training

Jeffery T. Beyer, son of Mr. and Mrs. Lester T. Beyer, 2592 Lynch Ave., has completed the U.S. Air Force Reserve Officers' Training Corps (AFROTC) field training encampment at Rickenbacker AFB, Ohio.

During the four-week program, AFROTC cadets participated in a wide range of activities designed to reveal and develop leadership, as well as provide an introduction to military operations and life.

Cadet Beyer was among approximately 3,500 young men and women involved in the special training at 13 Air Force bases this summer.

Cadet Beyer is a 1973 graduate of Granite City High School.

Donald Goodyear enters Air Force

Sergeant Mike Kimberlin, Granite City Air Force recruiter has announced the enlistment of Donald Goodyear Jr. of Granite City. Goodyear is the son of Mr. and Mrs. Donald Goodyear Sr. and is a recent graduate of Granite City High School North.

Goodyear was sworn into the Air Force Delayed Enlistment Program in ceremonies held in St. Louis. He is scheduled to leave for basic training on Nov. 4. Goodyear enlisted in the air frame repairman field.

John 14:2 "In my Father's house are many mansions; if it were not so, I would have told you, I go to prepare a place for you."

You may rest assured, everything that Jesus Christ ever spoke was the truth. He declared of himself: "I AM THE WAY, THE TRUTH, AND THE LIFE." Have no doubts nor fears concerning His words. If He said, "In my Father's house are MANY MANSIONS, BELIEVE IT, they are there! How can we believe the word of someone we have not seen, nor met? A very excellent way is to examine what they have already spoken and see if it really happened. Before we purchase an appliance, or automobile we want to know about the guarantee. The dealer very often will say 'I give you my word in writing, plus names of satisfied customers which you may inquire of yourself. This is proof enough for most of us. So, God has given us His written word, the Holy Bible, plus many, many generations of people who will testify. He is true, trust him!"

"In my Father's house are many mansions, I go to prepare a place for you!" Believe it! Believe it personally! He is going to prepare a place for you. No matter where we go in life, how far we come, there is just something about belonging somewhere, having roots, having a home. If, unfortunately, you come from a broken home, I am sure nevertheless, that there are some pleasant memories linked to you from that home that you will cherish forever.

Feel the impact of Christ's words, "I prepare a place for you." A home, with given us His written word, the Holy Bible, plus many, many generations of people who will testify. He is true, trust him today!

Preventative medical service helps detect early problems

Diane was undergoing a mediche exam when a heart problem was detected. She was referred to a specialist, who told her she required immediate surgery.

Diane, 5, is fine today. But she might not have been if her family hadn't been aware of the services available to them under the mediche program, a preventive medical service administered jointly by the Illinois Department of Public

Aid and the Illinois Department of Public Health. More than 3,400 children in Madison County alone have been screened since the program was instituted in March 1974. For most, the

medical screening involves a simple battery of standard medical tests and inoculations — tests for lead-poisoning, sickle cell anemia, tuberculosis and shots to protect against measles, polio, diphtheria,

whooping cough and lockjaw. But for some, like Diane, mediche is virtually a lifesaver.

The objectives of the program are to help detect physical problems early before they become serious and costly, and to prevent other problems.

Program design involves regular check-ups at ages 6 weeks, 4 months, 6 months, 1 year, 18 months, 2, 3, 4, 5, 6, 10, 14, 17 and 30 years. Dental check-ups for children 3 through 20 are provided each year. When a specific medical problem is detected, the child is referred to a specialist.

Nearly 11,000 children in Madison County are eligible for the program.

Mediche services may be provided by the family's private physician or by local mediche clinics.

In Madison County, mediche clinics are located at: The Quad Cities Children's Clinic, St. Elizabeth's Hospital, 2100 Madison Ave., telephone: 677-3317. Hours: 9 a.m. to 2 p.m. Monday, Tuesday, Thursday, and Friday.

Family Service and Visiting Nurse Association, 211 East Broadway, Alton, telephone: 465-2539. Hours: 1 p.m. to 3 p.m. every other Tuesday.

Additional mediche facilities are: The Alton YMCA; Wood River Township Hospital; Hartford Community Center and Concordia Lutheran Church in Cottage Hills. Information about times and services offered is available at 465-2539.

Parents are urged to phone for an appointment.

The Illinois Department of Public Aid and the Illinois Department of Public Health said they encourage all parents of eligible youngsters to take advantage of the mediche services in Madison County.

Schools, offices close for Labor Day holiday

Public offices, schools, post offices and most stores will be closed Monday as Quad-Cityans observe the annual Labor Day holiday at picnics, barbecues and other events.

The three-day holiday also will make up part of "Union Label Week" Sept. 1-7 which was proclaimed last week by the mayors of the four Quad-City area communities.

Area post offices will observe normal Saturday schedules, but on Monday the boxes will be open only for box patrons and there will be no deliveries.

The First National Bank in Madison will not have its drive-in windows open on Saturday, closing Friday evening, and opening at regular hours on Tuesday.

Other area banks and savings and loan firms will be closed Saturday, Sunday and Monday, along with all local county, state and federal offices.

The Press-Record will publish on Tuesday, rather than on Monday.

The majority of the downtown stores will be closed Monday

observation of Labor Day, but some of the stores in area shopping centers will be open on a special holiday schedule.

All schools will be closed. Quad-City mayors last week proclaimed Monday, Sept. 1, through Sunday, Sept. 7 as "Union Label Week." In cooperation with the American Federation of Labor and Congress of Industrial Organizations (AFL-CIO).

The 13½ million members of the AFL-CIO will celebrate the week throughout the nation to help identify their products and services.

According to an AFL-CIO spokesman, "Everyone knows that our country enjoys the highest living standards in the world and a major contributing factor to this is the trade union movement of America."

"Decent wages, good working condition, job security, health insurance and pensions won by working people through their trade unions benefit the entire community. This means better products and better living standards for everyone."

2 drivers hurt on Nameoki

Leonard Walker, 59, of 3237 Roger Ave., and David Whitworth, 37, of 2028 Milan St., Madison, were injured when their vehicles collided on Nameoki Road 20 feet south of

Two drivers were injured when their autos collided at 20th Street and Edwardsville Road at 12:10 a.m. Thursday.

Hurt were Randal Estep, 19, Fairmont City, and Evelyn Mikolaszuk, 23, of 2144 Edison Ave.

Estep was taken by ambulance to St. Elizabeth Hospital where he was admitted for observation with a cut to his forehead and pain to his chest and back.

Evelyn Mikolaszuk suffered minor injuries which did not require hospital treatment. She was charged with failure to yield the right of way while making a left turn.

VOLLMEYER, NICHOLAS L., 2010 Lindell Blvd. Entered into rest 8:15 p.m., Tuesday, Aug. 26, 1975.

Beloved husband of the late Jennie Vollmeyer; dear father of Harold Vollmeyer, Mrs. Vivian Warfield, Mrs. Rose Keller and Mrs. Helen Lytle; dear grandfather and great-grandfather.

His remains will be taken from LAHEY FUNERAL HOME, 501 Madison Ave., Madison, at 9:30 a.m. Saturday, Aug. 30, to Sacred Heart Catholic Church, 2600 Washington Ave., for 10 a.m. requiem mass. Interment Calvary Cemetery, Pana, Ill. Visitation after 3 p.m. Friday and Rosary at 7:30 p.m. Friday.

News notes

The Postal Rate Commission has approved a proposal that could lead to an increase in the cost of mailing a first-class letter to 13 cents by Christmas, postal sources said Wednesday.

The Postal Service has recommended for months that the cost of mailing a letter be raised from 10 to 13 cents but has not been able to act until the rate commission's decision. The proposed 13-cent rate could be put into effect after a 90-day waiting period, meaning the higher cost would be in time for the Christmas mailing season.

Under legislation signed Monday by Gov. Daniel Walker, the Illinois Fair Employment Practices Commission may initiate an investigation into a firm's hiring and promotion practices. Previously, the commission's investigatory powers were limited to those

contained in signed complaints. Many employees refused to sign the complaints for fear of retaliation. Another measure extends the commission rules to businesses with as few as 15 employees, instead of 25 or more.

++
The proposed Madison County Jail is expected to cost about \$4.25 million, a total of \$250,000 more than a \$4 million bond issue authorized last year to build the facility. Henry Gabriel, architect, estimated the cost of construction at \$3.5 million, about \$500,000 to furnish and equip the jail that could house up to 118 prisoners, plus \$250,000 in expenses, architectural and engineering, soil tests, etc. Some members of the county board are objecting to the cost, calling the proposed building "extravagant."

++
The nation's major oil companies have conceded that consumers will be paying more in both direct and indirect price rises if domestic oil price

Werner wins injunction

Madison County Deputy Coroner Edward Werner received a temporary injunction Tuesday in Madison County Circuit Court restraining Mercer Ambulance from prohibiting his starting work for Thomas Ambulance Service.

Werner, who had been with Mercer Mortuary and Mercer Ambulance many years, terminated his association with that firm earlier this month, but

a provision of his contract with Mercer prohibited him from going to work for a competing firm.

He requested a permanent injunction to keep Mercer from enforcing that portion of the contract. A temporary injunction was issued Tuesday which allows him to work for Thomas Ambulance until a hearing on the permanent injunction in 30 days.

Army Engineers District office at St. Louis reported this week. Erosion at the bases of the dam has created a hole deeper than the support pilings of the structure and threatens the stability of the dam. Assistant Chief Engineer Arthur L. Johnson of the Corps said earlier.

++
Lock and Dam 26 at Alton may undergo extensive repairs requiring it to be closed for a year for rehabilitation, the U.S.

Mitchell Festival tickets on sale

Half-price tickets for all carnival rides during the Mitchell Fall Festival now are on sale at five Mitchell businesses and from two individuals.

The annual festival, which raises funds for the Mitchell Athletic Club, will be held Friday through Sunday, Sept. 5 to 7.

Rides, booths and live entertainment will be featured all three days on the fair site, along East Chain of Rocks Road

between Routes 203 and 111 in Mitchell.

Half-price carnival ride tickets now are on sale at Donaldson's Cafe, W&W Confectionery, the E&L Quick Shop, Gene's Mitchell Barber Shop and Jim's Mitchell Tavern. Also selling the tickets are Myron Merz, president of the Mitchell Athletic Club, and Mrs. Clayton Presley.

In addition to the previously announced entertainers—Nick

Nixon, the Joey James Band, Dud Crouch and the Waterloo German Band—two additional shows were arranged this week.

The children attending the National School of Music, ages 8 to 18, will present a program at 2 p.m. Saturday, Sept. 6, in the main tent, and students of Jerry Green's Dance Studio will perform at 5 p.m. Sunday.

The festival will open at 6 p.m. Friday, Sept. 5, with dancing that night to the music of the Joey James Band.

Saturday, Sept. 6, rides, booths and activities will begin at noon and continue into the early morning hours Sunday. Nick Nixon will perform at 8 p.m. Saturday and 12:30 a.m. Sunday with country & western music. Nixon returns at the request of many persons who enjoyed his concert at last year's Mitchell Fall Festival.

Dud Crouch also will perform blue grass music Saturday, Sept. 6, with shows at 3 p.m. and 5 p.m.

A ceremony to present trophies to winning baseball teams will be held at 1 p.m. Sunday, Sept. 7 followed at 2 p.m. by the Waterloo German Band in full costume.

Dud Crouch also will perform Sunday evening, Sept. 7, at 6 p.m. and Nick Nixon will give his final two performances the same night at 8 p.m. and midnight.

Two die in I-55 crash

Two drivers were fatally injured and two passengers were hurt in an accident on Interstate 55, one mile north of Interstate 270 at 5:20 p.m. Monday.

All four of those involved in the accident were brought to St. Elizabeth Hospital.

Killed were Mrs. Sandra Carter, 23, Wichita, Kan., driver of a car, and Warren Allen Adams, 31, St. Louis, who was driving a van.

Both were examined here and, because of severe injuries, were transferred to Firmin Desloge Hospital, St. Louis, where they died.

Also transferred to St. Louis was Mrs. Carter's son, Marvin Carter Jr., 9 months old, who is

recuperating in Cardinal Glennon Hospital, St. Louis, from multiple injuries, including several bones which were believed broken.

His father, Marvin Carter Sr., 27, was admitted to St. Elizabeth Hospital in fair condition with multiple injuries, including a large cut to the left side of his head and injuries to his abdomen and left hip. Eighteen stitches were required to close the cut to his head.

Illinois state troopers were told the northbound Carter vehicle left the roadway, went out of control, slid sideways through the median and into the southbound lanes where it was struck by Adams' van.

Mrs. Anna Nowicki, 80, dies

Mrs. Anna Nowicki, 80, of 1600 Fourth St., a 52-year resident of Madison, died at 11:30 p.m. Monday at St. Elizabeth Hospital, where she had been a patient for three days.

She was born in Shenandoah, Pa. Mrs. Nowicki was a member of St. Mary's Roman Catholic Church.

Her husband, George Nowicki, died in 1963.

Survivors include three sons, Joe Nowicki of Granite City,

Henry and Raymond Nowicki, both of Madison; one daughter, Mrs. Raymond (Angela "Nellie") Hogan of Granite City; a brother, Lee Haligowski of Madison; three sisters, Miss Mary Haligowski and Mrs. Josephine Bocian, both of Madison, and Mrs. Victor (Catherine) Wilhold of Collinsville; 10 grandchildren and nine great-grandchildren.

Funeral arrangements are given in the obituary column.

Edgar Fleenor dies at 54

Edgar Lee Fleenor, 54, of 3801 Lake St., a lifelong resident of the Quad-Cities, died at 7 p.m. Monday at St. Mary's Hospital, Richmond Heights, Mo.

He had been ill three months and hospitalized five days.

Mr. Fleenor was employed at Consolidated Aluminum Co. for 23 years as a fork lift operator.

A member of the United Steelworkers Union, Local 4804, he also was a Navy veteran of World War II and formerly served as special deputy in the

Madison County Sheriff's office.

Survivors include his wife, Mrs. Waneta (Blakeburn) Fleenor; three daughters, Mrs. Robert (Carolyn) Fischer, and Misses Debra and Vicki Fleenor; one brother, John Fleenor, all of Granite City, and four grandchildren.

Funeral arrangements are given in the obituary column.

Fringe benefit plan defeated

An effort by Alderman Warren Decatur, chairman of the Negotiating Committee, to obtain vacation improvements for sewage treatment plant workers, was defeated at a meeting of the Granite City Council Monday night. The council decided that the plan was not a precedent and result in further demands from other city departments.

The council also delayed action on granting a \$1,200 yearly expense allowance to Street Superintendent Lionel Portell. That proposal was laid over until the next council meeting on a motion to defer by Alderman Gerald Parmley.

Warren, noting that the council members previously had agreed to a revised vacation schedule for treatment plant workers, said the change would cost no additional money, but only would rearrange the working schedule under which workers would be eligible for vacations. The proposal would have given pollution plant workers four weeks vacation after ten years and five weeks after 15 years.

A motion by Decatur to effect the revision was defeated by a 7 to 5 vote after several aldermen protested that "departments play against other departments" to obtain additional benefits and that if improvements were offered in the treatment plant schedule, other departments would seek changes.

Alderman Sam Whitmer noted that the Fire Department now has four weeks vacation after 12 years and five weeks vacation after 18 years. "If we give the treatment plant workers a better schedule, you can bet the firemen would be after the same thing," Whitmer said.

Alderman Frank Greenwood described the granting of fringe benefits as "one vicious circle. It's true that one department plays against the other, but how are you going to get away from it?" Greenwood remarked, "I don't think the Good Lord

himself sitting in these negotiations could equalize everything... There's always going to be one department saying we want what they got last year."

The proposal to grant Portell a \$1,200 expense allowance was deferred when an ordinance establishing the expense allowance was offered for first passage. The bill was placed on first reading in the Aug. 18 council session when several aldermen protested the measure at that time.

The council did vote on final passage of the new schedule of city employee salaries, incorporating a 12 per cent across-the-board wage hike for all employees.

The new schedule provides 12 per cent raises for most workers, but in the police and fire departments resulted in even higher raises because workers in those departments have a longevity pay benefit. The 12 per cent was applied on top of the allowance and longevity base.

In the police department, for example, officers receiving \$949 monthly last year would have received \$1,062 under the 12 per cent raise, but will receive \$1,169 when longevity is added. Street department workers receiving \$966 per month last year, now receive \$1,084 monthly. The Street Department is not under a longevity pay schedule.

The council approved a \$2,100 per year salary allowance for Mayor Paul Schuler, a raise from \$1,500.

Although council members had insisted on separate ordinances so each could vote on each issue, the alderman approved unanimously without discussion an ordinance granting a \$150 yearly clothing allowance for firemen and another granting a \$200 annual clothing allowance for police detectives.

An ordinance creating three shift commander positions on the fire department also was approved. Fire Chief Don

Parente told the aldermen that the assistant fire chief fills one of these positions. The shift commanders have a \$80 per month pay differential from the next highest rank.

City Engineer Monroe Brewer informed the council he has requested the Illinois Department of Transportation

to provide a turn signal to allow westbound traffic on Pontoon Road to turn south into Nantook Road.

The council also approved \$800 in expenses, at \$150 each, to permit six policemen to attend the National Police Combat Matches beginning Sept. 29 in Jackson, Miss.

M-V Rotary to aid United Way drive

The Madison-Venice Rotary Club voted at its Wednesday noon meeting in the Madison Recreation Center to accept responsibility for the United Way drive in the Madison and Venice areas.

President Ray Edwards told the members this would mean each member taking a few cards to call on prospects. The United Way does much to help make the entire area a better place to live and should be supported by everyone, Edwards said.

President Edwards announced that the district rotary governor, Dr. John Hallsworth,

will pay an official visit to the club next week.

Rotarian Tony Zedolek, program chairman for the meeting, introduced Leo Konzen, Granite City attorney who spoke on the importance of wills.

Konzen noted that a will is an important document for the well-being of a person's family. He noted wills are not difficult to make out and that it is unwise so many people avoid preparing a will or even talking about the subject.

Power demand hits new record peak

The demand for electricity over the Illinois Power Co. system reached a new peak of 2,466,860 kilowatts between 2 p.m. and 3 p.m., Friday, Aug. 22.

This was 4.9 per cent above the 1974 peak of 2,351,580 kilowatts on July 18, 1974.

A kilowatt hour record also was set with the more than 470,000 IP electric customers over one-fourth the land area of Illinois using 47,111,686 kilowatt hours of electricity on Friday, Aug. 22. This was 5.5 per cent above the 1974 record of 45,225,446 kilowatt hours on July 19, 1974.

EXPERT APPRAISING MORRIS REALTY CO. 876-1406

Juvenile girl driving car; strikes poles

A 15-year-old Granite City girl was injured at 6:35 p.m. Monday when the car she was driving on 18th Street sideswiped one utility pole, ran over a no-parking sign and struck another utility pole west of Cleveland Boulevard.

The girl was charged with not having a driver's license and reckless driving. She was taken by police to St. Elizabeth Hospital where she was admitted for observation with minor injuries and tenderness to her abdomen.

By Barbara Sullivan
A&P Director of Consumer Affairs

A Picnic Idea That Works

Celebrate the Labor Day Weekend with a family barbecue. The charcoal chef can be an instant hero. A single layer of briquettes will take a minimum of 30 minutes to heat through. They're ready when they turn an ash-grey color. An adjustable grill will help you control the heat for just the right intensity.

Prevent sticking by brushing the grill with a little vegetable oil mixed with a seasoning of your choice.

Steaks are excellent for grilling when cut $\frac{3}{4}$ to 1 inch thick or more. Round, chuck, and flank steaks should be tenderized before grilling for best results.

Chickens halved or quartered are excellent on the grill. Baste them with a little lemon butter to keep them moist and tender while cooking.

Seafood is delicious charcoal-grilled. Baste often to keep moist.

Croatian

(Continued from Page 1)

Church, at Tenth Street and Alton Avenue, Madison. Proceeds from the event will be contributed to the church. Many Croatian people formed the nucleus of the population in the Quad-Cities at the turn of the century, coming to this region from their native land, located along the eastern coast of the Adriatic Sea, to work in the large industrial plants.

The early arrivals became pioneers in the community, helping to develop Madison and Granite City by building homes, opening businesses, raising families and establishing churches.

Among the early immigrants was Mr. Martin Bruncic. Now 84 years old, Mr. Bruncic is believed to be the oldest living Croatian in this area.

As was typical of those emigrating from Central Europe and the Mediterranean region, Mr. Bruncic came here to work in the "mill."

He left his native Piume on the Adriatic Sea to seek his fortune in the United States, traveling through Italy and France and eventually on board a French ship to America. He was 18 years old.

Mr. Bruncic came to the United States because he wanted a better life and jobs were plentiful for those willing to work.

People traveled back and forth between the U. S. and Europe quite frequently, sometimes remaining for several years then leaving to see their families at home.

Making a living here and life in general was "much easier" than in his former homeland, he recalls, and there were many more opportunities for a young man. Before coming to America at age 18, he already had worked as a stonemason in Austria and held other jobs in Rumania, Slovakia, Vienna and Germany.

The work was "very hard" at Granite City Steel when the youthful emigre started his new life in Madison. There were no cranes to lift the heavy loads and the furnaces were charged by hand, he said.

He was quick to learn, however, and made friends easily. Soon he found himself able to play the role of interpreter, aiding his fellow countrymen and others who were unable to speak or understand English.

There were about 200 Croats in Madison when Mr. Bruncic arrived. Many of the other residents were from Macedonia and Bulgaria.

Most worked at the Commonwealth (General Steel Industries), American Steel, in the Car Shops or at the "mill," he said.

He vividly recalls the heat and the "terrible" mosquitoes. The weeds were so tall you could walk through them without being seen," he commented. Many people were sick from malaria and stagnant pools of water abounded throughout the area.

Mr. Bruncic has strong memories of the disastrous 1903 flood, and the sharp, decaying smell of the dead animals floating in the flood waters still can be evoked.

"There were dogs, chickens and cows in the water. It was very bad," he said. By midnight of the first day the water was about six feet deep. Regardless of conditions he went to work.

"They said we had to come to work anyway we could get there," he recalls. So he reported to the job each day throughout the flood period by rowing himself from Madison to the mill in a boat.

Mr. Bruncic married a "neighbor" girl in Croatia and brought her to the United States. The couple had five children. One son, Mickey Bruncic, was killed in the North African campaign in World War II.

In 1901, Mr. Bruncic helped to organize the Croatian Lodge in St. Louis and two years later he was among the founders of the Croatian Lodge in Madison, which he served as secretary-treasurer and held other committee chairmanships.

He started operating a tavern in 1906 and remained in that business until 1945.

His experiences during the four decades were extensive. He remembers serving large schooners of beer for five cents each and providing patrons free lunches on the side in addition. He still resides in the building at 1400 Madison Ave., which he purchased in 1916.

Many colorful dances, Croatian plays, parties, weddings and other social gatherings were held for years at Bruncic Hall, which was located directly at the rear of the tavern. The hall became widely-known throughout the area as a convention center and social-meeting place.

He recalls how the Bruncic family walked to St. Mark's Church on Broadway, Venice, each Sunday to Mass. It was the only Catholic church in the area, he said.

Mr. Bruncic said many persons helped him when he first arrived in the United States. He has special fond memories of Mrs. Ashley who ran a mission on Madison Avenue for a long period of time.

Mrs. Ashley helped him learn many things about his new country and aided him in obtaining his citizenship papers, Mr. Bruncic said.

A separate and distinct branch of the Slav race, the Croatian people migrated in the

17th Century from the area now known as Southern Poland to the Adriatic Sea coast.

Their history dates back to 500 B.C. and the Croats were the first people to accept Christianity en masse, being converted by missionaries from Rome in the years 640 to 678 A.D.

By embracing the Catholic faith, the Croats accepted the seeds to a Western culture and established a pattern for their religious and cultural life which endures today, even under Yugoslavia's Communist domination.

The Croatian National Territory comprises 45,000 square miles. A census taken in 1948 showed seven million people inhabited the territory and an additional three million were scattered around the world. Unofficial figures now estimate a combined total of 14 million Croat nationals and expatriates.

A national policy was adopted centuries ago recognizing the Croats as the first pacifists in history. Although they fought as a nation to defend their lives, religion and country, the Croats never have waged an aggressive war, and survived as a nation though small, exposed and subject to attack from dominant neighbors.

Throughout the Middle Ages, Croatia was on a cultural level with other Western European nations. The Croats were among the first to take advantage of printing, publishing a missal in 1483 in Venice, Italy, shortly after Gutenberg printed his first Bible.

Marco Polo (1254-1323), the world traveler and explorer, was a native of Korceula, Croatia Dalmatia. The Croats led the way in many areas; they were first to translate the Scriptures into their native tongue, to establish social security for laborers, a con-

stitutional monarchy and national flag, to prohibit slavery by law and organize guilds.

A high and rich culture of its own, a considerable part in the development of progress of other peoples, plus an unshakable steadfastness in defense of western civilization are among the contributions of this small Croatian nation to the culture of mankind.

As world renowned Professor Albert Einstein commented: "The Croatian people are pacifist and a civilized nation. All countries are duty bound to shield this small nation from aggressive nations."

The Croats' proud heritage and traditions are now infused into the history and future of the United States. Especially, they are an integral part of life in the Quad-Cities.

FRANK BERGANDINE

Former Nestle plant manager here retiring

Frank D. Bergandine, who has been plant manager of The Nestle Company's soluble coffee plant at Sunbury, Ohio, for the past 22 years and formerly manager of the Granite City plant, will retire Sept. 1.

He has been with Nestle a total of 46 years and during that time became involved in the production of many Nestle "firsts" which have positioned the company as a major soluble coffee and tea manufacturer.

Bergandine started as a general factory worker in 1929 at Nestle's Marysville, Ohio plant which at that time made condensed and evaporated milk and milk powders. In 1935 he joined the plant's Quality Control Research Laboratory.

Five years later he was promoted to supervisor of both the laboratory and of manufacturing at the Sunbury plant, which had been built in 1939 for the first manufacture of Nescafe. Since then this product has become the world's leading-selling brand of instant coffee in the world, according to company officials.

When Nestle built a new plant at Granite City in 1943 to produce Nescafe instant coffee for World War II armed forces, Bergandine first became its assistant plant manager in 1944 and then plant manager in 1947.

Bergandine returned to Sunbury in 1953 to take over as plant manager, and was responsible for the first U.S. manufacture of Taster's Choice freeze-dried coffee in the 1960's. This is now the top-selling freeze-dried coffee in the country, officials said. He also managed the first production of Taster's Choice Decaffeinated in 1971, now the leading brand of decaffeinated (freeze-dried) coffee in the country, according to the company.

Wide range of burial customs

Differing funeral and burial practices in nations around the world were described in a photographic slide and narration program at Tuesday's Granite City Rotary luncheon.

Frank Mercer, owner of Mercer Mortuary, spoke briefly, noting that the procedures of funeral directors are intended to help the living as well as honor the deceased. He was introduced by the Rev. David Fielding.

Cremation is practiced in many cultures, the slide narration related, but the wish to be buried in one's homeland is so intense in National China that many caskets are being maintained there in the hope that someday they can be taken to the Chinese mainland. George T. Wilkins Sr. reported plans for induction of seven new Rotarians next week. The B. E. Moody farm will be visited Sept. 9, and club members and Rotary-Anns will attend a Cardinal-Phillips baseball game on the night of Sept. 16.

New housing code creates housing authority problem

Although no satisfactory agreement was available between the Madison County Housing Authority's executive director, Edward Foley, and the Venice City council at a special meeting Tuesday on compliance with the Venice Housing Code, both are studying the problem further and will discuss it again at the regular council meeting Tuesday.

The Housing Code requires 100 amp power service. The Viola Jones, Lee Wright Homes and Venice Homes do not meet the Venice code that became effective July 15.

Foley told the council that after three years he has received maintenance funds to change the wiring in Viola Jones; but that funds were not available to upgrade the two housing complexes at this time.

Mayor William M. Ebersold asked everyone to study the problem further and try to work on a solution at the next meeting.

The city attorney was instructed to advertise for bids on the demolition of 19 unsafe structures in the city. Bids are to be submitted to the controller's office by 3 p.m. Tuesday, Sept. 16.

A public hearing in regard to the noise caused by Terminal Railroad Association switching will be held Tuesday, Sept. 16, the time place to be announced later.

Nicholas Vollmer, 81, dies

Nicholas L. Vollmer, 81, of 2010 Lindell Blvd., who had been residing at the Colonial Haven Nursing Home, was taken from the nursing home by ambulance to St. Elizabeth Hospital where he was pronounced dead upon arrival at 8:15 p.m. Tuesday.

A native of Oconee, Ill., he resided in the Quad-City area 52 years.

Mr. Vollmer was a member of Sacred Heart Catholic Church and also belonged to the Holy Name Society and the Retired Railroaders Club.

He worked as a switchman 47 years with railroad companies and last was employed by the Illinois Terminal Railroad at the time of his retirement 14 years ago.

His wife, Mrs. Jennie Vollmer, died in 1970.

Survivors include a son, Harold Vollmer of Wheaton, Md.; three daughters, Mrs. Eldon (Vivian) Warfield of Granite City, Mrs. Harry (Rose) Keller, Renault, Ill., and Mrs. Ira (Helen) Lyles of Lake Charles, La.; 17 grandchildren, 16 great-grandchildren and a grandson, the Vollmers had reared, Michael Hudson.

Funeral arrangements are given in the obituary column.

Plan repair shop

Property belonging to Gary, Pat and Brenda Withers, Rural Route One, Box 355, Highway 162, which was annexed into Pontoon Beach by action of the Village Board Friday, is to be used as a repair center for mobile homes and recreational vehicles, board members were informed Tuesday. It had been incorrectly reported by village officials that the property was to be used for a camping trailer sales and service business.

NONN IMPROVING

Walter Nonn, Fifth Ward alderman in Granite City, was reported doing well in Incarnate Word Hospital, St. Louis, and according to a hospital spokesman will be moved out of the intensive care unit today. Alderman Nonn suffered a heart attack about 2 p.m. Friday, Aug. 15, in his home.

Traffic

(Continued from Page 1)

different administration, has not paid its half of the cost. The crossing lights were only one of several points of disagreement between the city and township, which have remained unresolved for several years.

Other jurisdictional questions yet to be resolved are, who is responsible for: maintaining Farish Street; providing fire protection; paying crossing guards; and maintaining alleys—all to East Madison.

The question of the crossing

lights came to a head earlier this month when Madison Mayor Mike Sasyk ordered the lights turned off, since the township has not fulfilled its part of the agreement.

Whitsell said he felt Sasyk would turn the lights back on, if the township would repair holes in Farish Street. He contended the crossing lights were being used as a lever to force the township's highway department to repair the street.

After Nameoki Township Highway Commissioner Albert Bell repaired Farish Street "on a one-time-only basis," Sasyk ordered the crossing lights turned back on. The question of

who is ultimately responsible for maintaining Farish Street, however, remains unsettled.

Hessler told the Town Board of Auditors at its regular meeting Monday night, "Prior to the last meeting, I was not familiar with Mr. Briggs letter obligating us to pay half the cost of the crossing lights. I feel if we can legally do this with revenue sharing funds, we should adhere to this in our next budget."

The three auditors at the meeting, Hessler, W. Lee Adams, and Eugene Gargac, agreed and requested the legal opinion from Runge.

The board also was read a copy of a letter from the

Madison County Maps and Plats Office to Whitsell which said that office is unable to express an opinion about the jurisdiction of Farish Street since there are "many questions about the Madison annexation" and since the street is wider than platted in the county records.

The annexation question is whether when Madison annexed the Madison High School property, it also annexed adjoining Farish Street.

Sasyk and Whitsell agree they feel the street is within the township, but Highway Commissioner Bell says he will not accept permanent responsibility for it until his attorney,

who is studying the issue, informs him it is his responsibility.

Bell, in an open letter yesterday, responded to Whitsell's allegations that Bell has failed to respond to the needs of the people of East Madison.

The text of Bell's letter follows.

"To the taxpayers of Nameoki Township who are concerned about the condition of Farish Street and signal lights on McCambridge Avenue in Madison.

"Even though the supervisor made an illegal agreement with the city of Madison concerning

the lights, as a civic-minded individual and taxpayer I will do everything that is legally within my power to get these matters settled, as I value a life more than I do a political job.

"I don't intend to let politics enter into settling the dispute of who is responsible for upkeep of Farish Street or the installation cost of the signal lights.

"True, there are two different corporations of township government, the town and the highway department. The supervisor is the head of one and the highway commissioner the other.

"I do not interfere with the business of the supervisor, but it

seems that he has plenty of spare time to interfere with my department.

"To my knowledge, there was never an agreement made by a

highway commissioner concerning this issue, therefore I do not feel responsible for commitments made by a supervisor of the township.

Paul Gages dies in hospital

Paul Gages, 60, of 1619 Poplar St., a lifelong resident of Granite City, died at 6:20 p.m. Monday at Barnes Hospital, St. Louis.

He had been employed as a mechanical engineer for 23 years with Sverdrup & Parcel Associates.

Mr. Gages was a member of Masonic Lodge 877, Tri-City Shrine Club, Scottish Rite Bodies and Almaden Lodge.

He had been ill two weeks and a patient at the hospital four days.

Mr. Gages is survived by his wife, Mrs. Mary Gages; three sisters, Mrs. Mary Ann Melton of San Antonio, Tex.; Mrs. Paul (Ann) Haynal of Sausalito, Calif.; and Mrs. Nick (Susan) Nedroff of Gary, Ind., and one brother, George Gages of Granite City.

Funeral arrangements are given in the obituary column.

R. O. TIBBALS

Rites held for R. O. Tibbals

Memorial services for Richard O. Tibbals, retired vice-president of manufacturing for American Steel Foundries, were held Monday at First Christian Church, Rogers, Ark. He died on Aug. 23 following a long illness.

Mr. Tibbals joined American Steel Foundries in June 1936 and worked at the Granite City and East St. Louis Works until his transfer in 1961 to the general offices in Chicago when he assumed the post he held until his retirement in Oct. 1972.

Mr. Tibbals was born in Somerset, Kentucky on Dec. 18, 1911. Tibbals held a B.S. degree in chemistry from the University of Kentucky where he also attended graduate school.

A recognized leader in the metals industry, he was a director of the Steel Foundries Society of America and an active member of the American Foundrymen's Society.

Lake PTA to meet Sept. 16

Fund raising projects and the first general membership meeting of Lake School Parent-Teacher Association were planned by the PTA executive board which met last week at the school.

The initial PTA program of the 1975-76 school year was set for Tuesday, Sept. 16, Pat Withers, president, announced. Parents of all Lake pupils are being encouraged to attend.

A new budget was proposed and several projects for the coming months were reviewed. Edward Doran, a sales representative for a nationwide candy firm presented details of his company's products and sales program. Lake PTA will begin its annual candy sales on Sept. 19, it was decided.

Those attending the first executive planning session were Lake Principal Edward Gowa, Mrs. Phyllis Wiggins, Mrs. Sue Grable, Mrs. Virginia Duccini, Terry Duccini, Mrs. Dorothy Phelps, Mrs. Brenda Withers, Mrs. Charlene Pohlman and Dale Phelps.

\$20,000 BRASS THEFT

Eighty-nine brass journals from railroad cars, which will cost more than \$20,000 to replace and install, according to company officials, were stolen from railroad cars at the north end of the Mitchell railroad yards during the past six weeks, it was reported at 3:10 p.m. Monday. The journals belong to the Merchants Transportation Dispatch Co.

Sweet Adelines host hobo party

The Collinsville Chapter of Sweet Adelines hosted a "hobo" party last week at the Collinsville Building and Loan.

Guests at the party included members of the Jacksonville (Ill.) Chapter of the Sweet Adelines and the chief officer of Region V, Mrs. Kay Fisher of the Alton Chapter.

Others present came from the Alton chapter and prospective members from the Granite City, Troy and Collinsville areas.

Entertainment was provided by quartets from the Collinsville and Jacksonville choruses. Those attending the party were required to dress in "hobo" style and the theme was carried out in the refreshments and decorations.

Mrs. Ramona Burnett, entertainment committee chairman, made arrangements for the party and designed and created the prizes that were awarded to guests.

A highlight of the evening was the crowning of Mrs. Fisher as "Queen of the Road." The honorary title was bestowed in recognition of the long distances she will travel while carrying out her new duties as head of Region V. Mrs. Helen Groh, president of the Collinsville Chapter, presided at the "crowning."

The barbershop style chorus meets every Wednesday night at the Collinsville Building and Loan. Guests and prospective members are invited to attend.

International speaker at church

At the 50-minute family summer worship service this Sunday at the Nameki United Presbyterian Church, 1700 Pontoon Road, an international speaker from India will fill the pulpit.

Mr. Prem Waghmare taught in his native India before coming to the Covenant Seminary in St. Louis to prepare for the Christian ministry.

He and his wife, Caroline, utilize their home as a mission by extending their hospitality to over 1,000 foreign students enrolled at area universities and colleges. He also has contacts in the foreign community made up of professional, diplomatic and international agencies of St. Louis.

Waghmare and his wife have helped others in many practical ways to adjust to a new country and face new problems.

The featured speaker will show slides and discuss his particular method of Christian ministry at 9:30 a.m. Sunday and also will deliver the message at the 10:45 a.m. service. Soloist will be Al Stevens III.

"Finding New Life" will be the sermon topic of a new fall series, starting Sept. 7, when the Rev. Don Pierson, pastor, will return.

WAC veterans meet Sept. 4

Chapter 48, of the Women's Army Corps, Veterans Association of St. Louis, will hold its monthly meeting Thursday, Sept. 4, at 8 p.m., in the Plank Room at the Carpenters Building, 1401 Hampton Ave., St. Louis, according to Peg Newcomer, publicity chairman.

Mrs. Newcomer said plans for a mini-convention to be held Oct. 11-12 at the Mayfair Hotel, St. Louis, will be discussed.

All WAC veterans are invited to attend. Further information is available from membership chairman Gladys Louisa, at 351-4465, she added.

The national convention of the WAC Veterans Association was held this month in Detroit, Mich. The St. Louis chapter earned second place honors for publicity, it was announced.

Visitor returns home to Poland

Miss Janina Tauraginski has returned to Wroclaw, Poland, after a five-week visit in the United States.

Her hosts, Mr. and Mrs. Louis Naumoff of Alliance, Ohio, former Granite City residents, and cousins of the visitor, took Miss Tauraginski, who reportedly was impressed with the beauty of this country, on a tour of eight eastern and midwestern states.

While in Granite City, Miss Tauraginski and the Naumoffs were guests of local relatives, Bernard Richeson, Frances and Michael Skubish, Josephine and Mike Orescovich, Helen and Alex Toth and their families.

Correspondence with the Polish relatives was regained in May 1972 by Mrs. Toth, who was aided by the Tri-City Red Cross Chapter in finding the current addresses of the cousins. Prior to that time, there had been no communication since 1924.

In August 1973, Mrs. Victoria Naumoff visited with Miss Tauraginski and met other relatives in Pienik, Lodz and Warsaw, Poland, for the first time.

Miss Tauraginski received a master of arts degree in philology from Wroclaw University and is employed by the county of Wroclaw as a director of cultural affairs, arranging library and museum tours and lectures.

Revival services at Bethel Chapel

Revival services started Wednesday and will continue through Sunday, Sept. 7, at Bethel Chapel Pentecostal Church, 25th Street and Ohio Avenue, the Rev. Clifton Galther, pastor, announced today.

Featured speaker at the nightly services, beginning at 7:30, is the Rev. Danny Hudson of Savannah, Ga.

BIRTHDAY CLUB HONORS MRS. ORESCOVICH

Members of a birthday club gathered Monday morning at the home of Mrs. Josephine Orescovich, 3135 Princeton Drive, to present her with a gift and attend an all-day social event.

Games were played during the day and a noon luncheon was served by the hostess.

Those attending were Veronica Kula, Catherine Conreux, Caroline Raebert, Marian Ropac and Helen Hinterser. Mrs. Ropac will entertain the group in September.

MISS BRENDA LONG, the fiancée of Michael Scarborough. Their betrothal is being announced by the bride-to-be's parents, Mr. and Mrs. Robert Long, 41 Villa Drive. An October wedding is being planned.

Scarborough-Long betrothal

Mr. and Mrs. Robert Long, 41 Villa Drive, are announcing the engagement of their daughter, Miss Brenda Long, to Michael Scarborough, son of Mr. and Mrs. Harold Scarborough, 2515 Lynch Ave. The newly betrothed couple and their families are completing plans for a wedding in October. The bride-elect is employed as a nurse's aide at the Colonial Haven Nursing Home. Her fiancé is employed with a track crew at Granite City Steel.

Bill Stearns' host reunion

The Stearns, Hancock and Sexton families held their annual reunion at the home of Mr. and Mrs. Bill Stearns, 706B Old Alton Road. Local residents attending were Mrs. Alva Stearns, Mr. and Mrs. James Myers and Randy, Miss Laurie Buehrer, Mrs. Geri Johnson and Bob, John and Joe, Mrs. Edith Penrod, Mr. and Mrs. Bill Willard, Mrs. Lillian Sexton, Mr. and Mrs. Harold Price and Dixie Lynn, Mr. and Mrs. Rich Wilson and Rickie, John Penrod, Mr. and Mrs. Bill Willard Jr. and Maria, Mr. and Mrs. Lon Weaver and Jeremy.

WHERE THE VALUES ARE

Introducing the Centennial Edition of Funk & Wagnalls New Encyclopedia...

written by experts in their own field of knowledge.

Start your set this week with
a low introductory price:

49¢
Vol. 1
Vols. 2-27 \$2.49 each.

BUY VOLS. 2 & 3 AND GET A FREE DICTIONARY
IN THE BARGAIN.

Get Funk & Wagnalls 2-volume Standard
Desk Dictionary free when you purchase
Vols. 2 and 3 of the Encyclopedia.

You get Vol. 1 of the Dictionary with Vol.
2 of the Encyclopedia and Vol. 2 of the
Dictionary with Vol. 3 of the Encyclo-
pedia.

Everything you always wanted to know about everything,
by the people you'd ask if you could.

The best way to get informa-
tion is to go to the source.

And that's exactly what Funk
& Wagnalls has been doing since
1876, when they began publishing
reference books.

Hundreds of consultants and
contributors helped put together
the Centennial Edition of Funk
& Wagnalls New Encyclopedia.

You just pick up Volume One
at the special introductory price
of 49¢ and let it convince you to
buy the rest of the set a volume or
two a week. That way you find
out if it's the right encyclopedia
for your family before you buy the
whole set. It's one of the smartest
purchases you can make.

Sewer repair bills subject to audits

The first job was on Amos
Avenue and I signed that order.
They then went to Boyle Avenue
and I signed that work order. I
also signed the order for work
on Franklin Avenue, but it
looked like that one was going to
be a lifetime job. I notified the
major that I would sign no
more work orders."

Portell said that further work
orders were signed by Alder-
man Emerald Davis, who then
was chairman of the Street and
Alley Committee, and by
Casper Skubish, city inspector
for sewer repairs.

Portell said he discovered
discrepancies in the charges as
the bills began coming in. He
examined the listed work with a
log kept by Skubish. He said he
drew up a chart and presented it
to Mayor Schuler, City Clerk
Robert Stevens and City
Treasurer Paul Rutledge.

Discussions then began
between city officials and the
sewer firm vice-president,
Richard Sage, to resolve the
discrepancies.

Portell explained that the
payments approved by the
city are subject to review by the
auditors of the flood disaster
agency because the city has
received flood disaster funds
from FEMA to help finance cost
of the sewer repairs. The Ernest
firm repaired 17 Granite City
sewer breaks under contract.

Protective measures urged against disease

Harvey J. Dominick, en-
tomologist with the Illinois
Department of Public Health,
urged immediate preventive
measures be taken in the
Illinois bistrate metropolitan
region to avoid an outbreak of
mosquito-carried encephalitis
(sleeping sickness).

Dominick said "The presence
of the virus of St. Louis
encephalitis in the bird
population, coupled with large
concentrations of the northern
house mosquito, the chief
carrier of the disease in Illinois,
indicates there is a distinct
possibility of a major outbreak
especially in Southern Illinois."

It was learned this week that
Fermín Gonzales, 72, of Granite
City, a patient in Jewish
Hospital, St. Louis, since Aug.
18, is believed by his physician
to have encephalitis. Results of
laboratory tests will not be
available for about three weeks,
a hospital spokesman said.

Dominick said that data
gathered during field surveys
conducted in Southern Illinois
and processed by the Vector
Borne Disease Division of the
Communicable Disease Center
(CDC) in Ft. Collins, Colo.,
"indicates that there is a high
level of virus activity for St.
Louis encephalitis in Southern
Illinois, and immediate
preventive and corrective
measures should be initiated."

The CDC report shows that, of
61 birds collected in Eldorado,
Ill., 18 per cent were carrying
the virus. This is considered to

be of epidemic proportion in the
bird population.

Of 46 birds collected in
Belleville, 6.5 per cent were
carrying the virus. Dominick
said the birds checked included
sparrows, starlings and
grackles.

The disease is spread to
humans by mosquitoes which bite
the infected birds then bite
humans. Among the symptoms
are nausea, headaches and
muscle and joint pains similar
to flu. There is no vaccine for
the disease.

Persons over 50 years old,
those usually affected by the St.
Louis strain, which is one of
four classes of encephalitis, and
those who suffer from chronic
diseases, are urged to take
special precautions against
mosquito bites.

Health officials also urged
immediate elimination of
standing water, high weeds,
hanging vegetation, spill-over
from septic tanks and other
breeding and hiding places for
mosquitoes.

Protective clothing and insect
repellent should be worn,
especially by those over 50,
when outdoors between the
hours of 6 p.m. and 6 a.m.

Most area communities have
intensified their mosquito
abatement programs. The
deaths of three persons in
Illinois and at least 14 suspected
cases, reported since mid-July,
have been attributed to the
disease.

MARRIED. Mr. and Mrs. Daniel Lee Hamilos, whose wedding took place at St. Cecilia Catholic Church in Glen Carbon. The former Miss Sharon Sue Howell, the bride is a daughter of Mr. and Mrs. Russell E. Howell of Decatur, Ill.

Sharon Howell becomes Mrs. Daniel Hamilos

St. Cecilia Catholic Church in Glen Carbon was the scene of the Aug. 1 wedding of Miss Sharon Sue Howell, a daughter of Mr. and Mrs. Russell E. Howell, 1091 N. Oakdale, Decatur, Ill., and Daniel Lee Hamilos, a son of Mr. and Mrs. Nick Hamilos, Rural Route Four, Edwardsville, formerly of Granite City.

The double ring ceremony was performed at 7 o'clock in the evening by the Rev. William J. Stanley. Organist Mrs. H. Bruce Brubaker played "My Cup Runneth Over With Love" and "For All We Know," which were sung by the groom. The bridegroom's uncle, Angelo Hamilos, sang the Lord's Prayer.

For her wedding, the bride selected a formal-length gown of white chiffon made in empire style and accented with Alencon and Venice lace.

The molded bodice featured a portrait neckline and sheer bishop sleeves. She wore a chapel-length veil of silk illusion edged with Venice lace and attached to a lace headpiece. She carried a colonial bouquet of roses, baby's breath and stephanotis.

The maid of honor, Miss Julie Howell, a sister of the bride, and the bridesmaids, Mrs. Joseph Breneman, the bride's sister, Mrs. Michael J. Semanisin, the groom's sister, and the flower girl, Vicki Semanisin, a niece of the groom, wore identical gowns of maize, pink, lime and blue voile.

Their dresses were enhanced at the natural waistline with multi-color inserts of em-

broidered Schiffl and had V-necklines and caplet sleeves. Each attendant wore a picture hat in a matching color and carried a basket of variegated-colored mums, carnations and baby's breath.

Joseph Michael Semanisin, a nephew of the groom, served as ringbearer.

Best man was John Keller of Stanford, Calif., a classmate of the groom, Michael Corrales, Michael J. Semanisin, a brother-in-law of the groom, John Howell, a brother of the bride, Michael P. Toundas and Leo C. Mateyka, uncles of the groom, completed the corps of groomsmen and ushers.

Guests were received by the newly married couple at a reception given at the Edwardsville American Legion Hall.

The rehearsal dinner was held at the Round Table Restaurant in Collinsville.

A graduate of MacArthur High School in Decatur, the bride was graduated in 1973 from the University of Illinois. She formerly taught in the Hopkinton-East Lynn School District.

The groom graduated from Edwardsville High School and received a degree in civil engineering in 1973 from the University of Illinois. He earned a master's degree in environmental engineering from Stanford University in 1974. He is employed at Clark, Dietz and Associates in Urbana, Ill. and will enter Northwestern University Medical School in Chicago this fall.

The couple is now residing in Chicago.

CMC STEREO CENTERS

STEREO CLEARANCE

Save up to 50% on all kinds of top quality stereo gear... special purchases, some demonstrators, some new-in-the-box... from top brands like Pioneer, Marantz, Kenwood, Garrard, Dual, AR, Altec, Koss, Clarion and Audiovox!

RECEIVER SPECIAL

PIONEER SX-535

More customers walk out of a CMC store with a Pioneer in their hands than with any other brand. With Pioneer reliability, superb FM performance, a healthy 18 watts RMS X 2 (20-20,000Hz @ 8 ohms) at no more than 0.8% distortion... and CMC's lowest price ever, the 535 is definitely the Pioneer to walk in for and walk out with during CMC's Stereo Clearance! Reg. \$299.95

TURNTABLE SPECIAL

KENWOOD

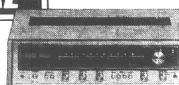

Direct-Drive Turntable

To quote the Sept. '75 issue of AUDIO Magazine, Kenwood's new direct drive turntable is "among the best half dozen turntables now available." It's a completely automatic single-disc turntable with superb specs (thanks to its quiet servo-control direct drive motor) and those small conveniences that are so important to good, clean design... like a dust cover hinged to "stay put" in any position. List Price \$319.95 Special Purchase! 3 per store.

CHRIS SHIELD, Mgr.

Your support has helped us to grow and prosper through the years. Now we are proud to announce that we are affiliated with the Gallery of Homes, a national organization which specializes in helping families to relocate.

Granite City Realty Company cordially invites you to attend an open house which we are holding in recognition of our recent association with the Gallery. The open house will feature our newly-remodeled office at 1561 Johnson Road, Granite City, Illinois, from one o'clock until seven o'clock in the afternoon on August 23, 1979.

91

BRAND NEW DODGE CARS, TRUCKS, VANS

Jack Sez:

When you've got 91 cars and trucks left over at this time of the year you've gotta deal — close and for volume. We bought an extra heavy supply of 75's for several reasons . . .

1. They cost a lot less than 76's
2. Special bonus deals from factory to dealer are passed on to you
3. Cash rebates up to \$300 — won't be available in 1976
4. 1975 cars were built slower (consequently quality is at an all time high)

SEE BOB SHELTON or ALAN ROTHENBUECHER

Congressional study due on natural gas shipment from Alaskan fields

By LESTER BELL
Press-Record
Washington Bureau

Washington — Congress this winter will consider whether to bring natural gas from Alaska to Illinois in a 3,489-mile pipeline or ship it as a liquid in a fleet of eight to 11 tankers to California.

Either of the proposed major systems could deliver 2.5 billion cubic feet daily to the gas-short lower 48 states in 1981. The competing systems are feasible and quite comparable in costs, according to a Department of Interior analysis made by a private study team.

The analysis, called a "working paper," went to Congress Aug. 18. The final report is due on Capitol Hill Nov. 15 for congressional consideration.

The liquid natural gas system, with its tanker fleet to carry LNG plus plants to liquefy the gas in Alaska and regasify it in California, would be an all-American enterprise. The pipeline system traversing Canada would involve that country. Some difference in costs would result.

The study puts a price tag of \$5.6 billion on the LNG system whereas the pipeline comes out

to be \$6.2 billion, of which \$5 billion would be the U.S. share. Annual operation and maintenance costs are \$109 million for the LNG carrier fleet and plants. Pipeline operation and repair would cost a total of \$87 million and the U.S. would pick up the tab for \$47 million of this.

The LNG system would, of course, pay no Canadian taxes. It is expected, however, that Canada would assess the U.S. \$167 million a year in ad valorem taxes on the pipeline. Shrinkage, in British thermal units, would be 11 per cent for the tanker operation, but the pipeline would hold this loss to 7.5 per cent.

As envisaged in the department's draft study for Congress, the Alaska-Canada pipeline would start at Prudhoe Bay on Alaska's north slope, run 195 miles before entering Canada in the Mackenzie Delta, traverse Canada for 2,156 miles through a control station in Calgary and exit Canada in Saskatchewan, then follow a 1,138-mile U.S. route to terminate south of Chicago. The Alaskan and Canadian sections of buried and chilled 48-inch outside diameter pipeline would be of "Arctic toughness",

The U.S. portion would be 42-inch pipe. All pipe would be fabricated of X-70 grade steel and made to carry 1,800 pounds per square inch of pressure.

Six maintenance districts with a central control station would be established. They would communicate by microwave radio. Operation and maintenance would be conducted from compressor and maintenance stations all along the system.

Canada would put one billion cubic feet of gas a day into the pipeline at Mackenzie, mixing it with the U.S. gas from Alaska, and withdraw an equal volume at its Calgary control station for delivery to its own eastern markets. No Canadian gas would be delivered to the United States.

Nine contractors could be employed on the project. New construction camps for the life of the job would be set up along the route and their cost would be written off over the life of the contract.

Work would start on the Alaskan and Canadian sections at the same time, next January, but it would be three more years before the U.S. phase would get underway. This schedule would see completion of the entire

pipeline at the same time.

If Congress should approve the pipeline and all should go as set out in the working study, the "first startup" to get gas flowing would come in May, 1981. Completion would follow in September, 1981.

Liquefaction plants and LNG tankers would be phased in from January through December, 1981.

Price offers aid booklet

Congressman Melvin Price (D-23rd District of Illinois) has announced the availability of a student financial aid handbook prepared by his office.

"The financial aid programs available to the student wishing to attend college today are so numerous and varied," Rep. Price explained, "that any student planning to complete post-secondary education can do so financially."

The handbook describes all aspects of the aid programs. "The booklet was prepared to enable the student to find the aid program that will meet his individual financial need," Cong. Price concluded.

The 14-page handbook may be obtained by writing Hon. Melvin Price, 2468 Rayburn HOB, Washington, D. C. 20515.

Individual retirement bonds on sale

The Department of the Treasury has placed on sale U. S. individual retirement bonds. They are specifically designed for investment by persons who lack coverage by any other retirement plan. The bonds are issued pursuant to the provisions of the Employee Retirement Income Security Act of 1974.

They are sold at face value in denominations of \$50, \$100 and \$500. Interest accrues at the rate of six per cent per year, compounded semiannually, and is payable upon redemption.

Individual retirement bonds may be purchased from any Federal Reserve Bank or branch, or directly from the Treasury Department. They may be registered in either single ownership or beneficiary form, in the names of natural

persons only. Individual retirement bonds are nontransferable; they cannot be sold or used as collateral.

The new bonds permit persons, who work for employers unable to finance a pension plan, to set aside a portion of their annual income — up to a yearly limit of \$1,500, or 15 per cent of gross income, whichever is less — for retirement. The amount set aside annually is deductible from gross income for federal income tax purposes.

Because they are designed to be used for personal retirement, the bonds carry certain redemption restrictions. During the first year after issue, they may be redeemed without interest or penalty.

They may be cashed, with a

tax penalty, until the owner reaches age 59½, after which the bonds may be redeemed without penalty. The bonds may, however, be cashed without penalty, at any time until maturity, for the purpose of changing investments.

In addition, they may be cashed without penalty before age 59½, in cases of disability. The maturity date is the first day of the month in which the bond owner reaches age 70½, or five years after the date of the owner's death, whichever is earlier. Both principal and interest are reportable for federal income tax purposes, at time of redemption or maturity.

Complete regulations covering the Individual Retirement Bond may be found in Treasury Department Circular, Public Debt Series 1-75.

Supervisors' workshop Sept. 20

The ninth and final workshop program to be conducted this year by the Supervisors' Division of the Township Officials Association is scheduled Saturday, Sept. 20, at Holiday Inn, Edwardsville. The workshop will begin at 9 a.m. and will continue all day. Township supervisors and their social workers in the nine-county area have been invited to attend the all-day event. Hosts for the day will be Paul O. Riebold, supervisor of Jarvis Township, and Hays Mallory, supervisor of Edwardsville Township.

Mallory is president of the Madison County Township Officials Association and will give the welcome address. Donald E. Scheib, supervisor of

St. Charles Township in Kane County and president of the Supervisors Division of the state group, will preside at the meeting.

Others on the agenda besides Scheib and Mallory will be Don Frost, a social security field representative; Paul T. Hawkins, Madison County administrator for the Building, Zoning and Environmental Department and Cecil Longfisch, supervisor of the Madison County Environmental Laboratory.

All state legislators in the area have been invited to attend and make brief remarks. Rep. Joe E. Lucio, state representative of the 56th District and a member of the State Township and Counties Committee, will be the principal speaker for the legislators, according to Mallory.

For the afternoon agenda, the supervisors will hear from Ted Funkhouser and A. L. Knox of the Madison County Public Aid Department, and George

Warnecke who will talk on tax assessing reform.

Either Troy Keel or Russ Stauffer, executive secretary of the Township Officials Association will bring the group up to date on what is occurring in Springfield that affects townships.

Other officers of the Supervisors' Division who will attend the meeting along with Scheib are First Vice President Ethel Kolerus, supervisor of Mount Prospect; Second Vice-President Paul Bitschenauer, supervisor of Springfield; Supervisor Nancy Follett of Oak Park and secretary of the division, and the treasurer, Dennis Wiggins, supervisor of

Aurora. Directors from Rock Falls, Nashville, Antioch, Milan and Gurnee also will attend.

Scheib said that he and the other officers have been pleased with the turnout at the other eight meetings and he expects a good turnout at Edwardsville. He said the programs have been worthwhile and especially informative. "It is a chance for the township supervisors to let his or her hair down, hash out problems and make suggestions," he said.

Other cities where workshops have been held are Rock Falls, Galesburg, Mount Vernon, Macomb, Freeport, Arlington Heights, Pontiac and Champaign.

BAC technician program ok'd

Louis A. Reibling, Ph.D., Allied Health Department supervisor of Belleville Area College, announced this week that the Operating Room Technician Program at the college has been granted annual accreditation for its ORT program.

This accreditation was granted by the Joint Review Committee on Education of the American Medical Association. This committee consists of representatives from the American Hospital Association, The American College of Surgeons, The Association of Operating Room Nurses, and the Association of Operating Room Technicians.

The ORT Program at the

college has the distinction of being the only program so accredited in this part of both Illinois and Missouri. The clinical facilities of both Belleville hospitals, St. Elizabeth's and Memorial, have been utilized during the program's six year existence.

Mrs. Mary Frew has been the coordinator-instructor since the beginning of the program. Mrs. Frew's clinical assistant is Mrs. Florence Guckes.

Students interested in applying for admission to the ORT program should make application through the admissions office of the college. Applications will be accepted beginning Oct. 1 for admission in the fall of 1976.

St. Elizabeth School fixes lunch policy

St. Elizabeth School has announced its policy for free meals, free milk and reduced meals for children unable to pay full price of meals and milk served under the national school lunch and special milk program.

Local school officials have adopted the following family size and income criteria for determining eligibility:

For a family of one, the limit of income for free meals and free milk is \$3,230, while the limit on family income for reduced price meals is \$4,520; family of two, \$4,240 and \$5,950; three, \$5,250 and \$7,350; four, \$6,260 and \$8,770; five, \$7,190 and \$10,060.

Six, \$8,110 and \$11,300; seven, \$8,960 and \$12,530; eight, \$9,790 and \$13,700; nine, \$10,550 and \$14,770; ten, \$11,210 and \$15,840; eleven, \$12,080 and \$16,890; and twelve, \$12,810 and \$17,940. For each additional family member the income limit for free meals and free milk increases \$750, and for reduced price meals increases \$1,050.

Children from families whose income is at or below the levels shown are eligible for free meals, free milk and reduced meals. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

Authorities must consider both the income of the family during the past 12 months and the family's current rate of income to determine which is the better indicator of need for free or reduced price meals to reflect family wage earners' present level of employment.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

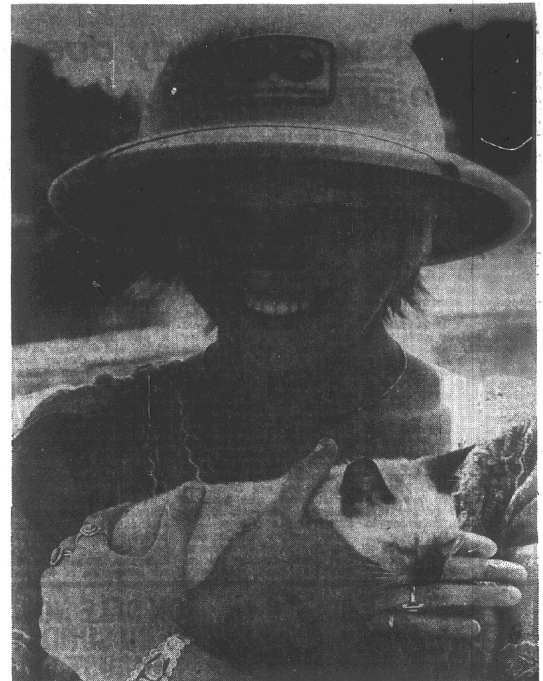

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his race, sex, color, or original origin.

Insurance award

Renick R. Smith, 4000 Sara, an insurance representative with Combined Insurance Company of America, has received an award for outstanding sales and service to the public.

Mike Hester, regional sales manager, said Smith won the Sapphire Award in the W. Clement Stone International Sales and Management Achievement Club. The international club is named after the company's founder and board chairman.

Smith in March, 1975 became associated with Combined as a representative and his work in service to policyholders earned him his award.

TOWER LAKE FRIENDS. Joyce Huelskamp, 2770 Edwards St., Granite City, a senior majoring in South American studies at Southern Illinois University at Edwardsville, takes time out from her student job at Tower Lake Beach to cuddle her Siamese friend, Benji.

Formula threatens to cut Illinois treatment funds

By LESTER BELL
Press-Record
Washington Bureau

A Senate formula, if finally approved, would cost Illinois \$110.3 million in water pollution control funds allocated for construction of sewage treatment plants.

The formula, however, could die along with the Public Works Employment Act of 1975, to which it was added by Sen. Herman E. Talmadge (D-Ga.) on a 60 to 36 vote July 29.

The House has passed a similar bill on May 20 without such an amendment.

The two bills differ in other respects and must be reconciled by a House-Senate Conference Committee after the August Congressional recess.

Conferees have not been appointed. Congressional sources said.

The Administration is wary of both bills, fearing they could oversaturate the economy and lead to a new wave of inflation.

A Presidential veto is a strong possibility.

If the Talmadge Amendment stands, Illinois would be the fourth hardest-hit state, dropping from \$57.1 million to \$46.4 million in the formula change.

In debate, Talmadge said his

amendment would change the formula used to allocate among the states \$9 billion in previously impounded water pollution control funds.

The Water Pollution Control Act, passed in 1972, made \$18 billion available for fiscal years 1973, 1974 and 1975 to aid the states in building sewage plants.

But \$9 billion of this sum was impounded.

The administration earlier this year released \$4 billion of the impounded funds and the U. S. Supreme Court recently ordered release of the remaining \$5 billion.

The Environmental Protection Agency had planned to allocate the funds on the basis of a 1971 "needs survey," which since is said to have been too hastily done. EPA has since recommended a new formula based half on state population and half on state need as determined by a 1974 survey.

Talmadge said the old formula would "shortchange many states and provide windfalls for others."

He argued that his new formula was more equitable.

"Thirty-three jurisdictions will benefit from passage of the amendment," Talmadge said. "Seventeen will realize

deductions in their allocations. As I pointed out earlier, under the old formulas, 10 states would receive almost two-thirds (64 per cent) of the funds. Under my amendment, they would still receive more than half (53 per cent.)"

Sen. Jacob K. Javits (R-N.Y.), opposing Talmadge, asserted that his amendment "neatly cuts the heart out of the industrial states in order to help the smaller or rural states."

Most of the states suffering decreases under the Talmadge amendment were in the Northeast or on the Great Lakes.

Five of the hardest hit were in EPA's Region 5, the Lakes Area. Michigan suffered most with a \$27.95 million cut. Regionally, Illinois was second with its \$10.3 million cut. Other cuts in Region Five were Indiana, \$5.6 million; Minnesota, \$2.4 million; and Ohio, \$40.6 million. Only Wisconsin gained, \$36.6 million.

Under the new formula, Texas gained most, \$25.6 million. Talmadge's home state of Georgia gained \$1.6 million. Both Sen. Charles H. Percy (R-Ill.) and Sen. Adlai E. Stevenson (D-Ill.) voted to table the Talmadge motion, and when that was defeated, voted against his amendment.

International students at SIUE need foster homes

The International Hospitality Program (IHP), a volunteer program which watches over more than 200 international students attending Southern Illinois University at Edwardsville, is in need of host families.

According to Mrs. Barbara Butler, membership chairman of IHP, nearly 30 homes, equipped with parents, brothers

and sisters, are needed immediately to serve the needs of students arriving on campus within the next few weeks.

Host families are expected to meet students at the airport, provide a temporary home for them while they get adjusted to the community and the university campus, help them find housing, and act as a friend

during their stay at SIUE, Mrs. Butler said.

Many of the students arrive at the St. Louis airport or on campus, with baggage in hand, believing that SIUE had dormitories available, according to Judy Thatch, foreign student adviser at SIUE. Weary from a journey, sometimes from halfway around the world, and

perhaps a little homesick, they often have no place to stay.

Most students eventually will move into housing on campus or into apartments in nearby communities. However, until they can get their "bearings," host families provide the necessary transition between the world they left behind and the campus environment, Mrs.

Butler explained.

"We also need families who will donate household furniture, linen, dishes and other housekeeping items for their apartments," Mrs. Butler said. "The students don't have these things," she added.

Students will begin arriving around Sept. 10, Mrs. Butler said, but some have been known to arrive earlier.

A fall picnic, which includes both host families and all international students, is scheduled Oct. 5 at the Westerner Club in East Alton. Activities are held throughout the year for students and their host families.

In her plea for host families, Mrs. Butler said it's an enriching experience for the families because they not only meet their own student, but students from all over the world.

Anyone interested in becoming a host family for a foreign student, may telephone Mrs. Reba Klenke at (618) 656-5022, Mrs. Mary Puhse at (618) 656-0556, or Mrs. Barbara Butler at (618) 331-4612. Additional information may be obtained by contacting the foreign student adviser, Office of the Vice President for Student Affairs, SIUE.

Kenneth Kent commended by Reserve unit

Specialist Four Kenneth Kent of Collinsville has received a letter of appreciation from the 42nd Group commander of the U.S. Army Reserve.

The award was presented for Kent's performance with the 109th Field Service Company during annual training at Fort McCoy, Wis.

Working outside his military occupational specialty, Kent helped facilitate ration breakdown for 63 units participating in training.

It was the second Reserve award for Kent, who was cited for outstanding truck maintenance during annual training two years ago.

Kent is a chairman in the rollosh at Granite City Steel.

GC Navy recruit is honored

Seaman Recruit Penny Dawson, daughter of Mr. and Mrs. Ray Robins, 2557 Revere's Route, Granite City, has been selected the Company Honor Recruit at Navy Recruit Training graduation ceremonies in Orlando, Fla.

Miss Dawson attended Lowell High School in San Francisco, Calif., and college at the University of Maine, Miss Dawson entered the Navy in March 1975. She was selected as Company Honor Recruit by her fellow recruits in recognition of her attention to duty, military conduct, overall cooperation, loyalty and comradeship.

Upon graduation, Miss Dawson attended Personnelman school at Meridian, Miss., and completed the usual 47-day program in only one month. Miss Dawson recently reported to Naval Air Station, Pensacola, Fla., while awaiting permanent assignment.

Navy Data Processor First Class Raymond H. Delers, Navy recruiter-in-charge for Granite City, was awarded a letter of commendation as the person responsible for recruiting an outstanding candidate such as Miss Dawson.

You will receive over 20 dinners valued at over \$80 from some of Granite City's most progressive restaurants.

All you have to do to receive over \$200 in gifts and services for \$19.95 is to answer our question when the Granite City Jaycee Lucky Question Operator calls you.

Proceeds from this program will go to further the many Jaycee projects held throughout the year.

Mount Zion Baptist marks 25th year

Mount Zion General Baptist Church climaxed its 25th anniversary celebration this week with a special all-day program, which included morning and afternoon services, testimonies, special music and a covered dish midday meal. An evening dinner and fellowship concluded the event.

The Rev. Truman Collins of Southland General Baptist Church in Louisville, Ky., Mount Zion's first pastor who remained at the local church for eight years, delivered the

message at the morning worship service.

Music was provided by the Mount Zion Youth Choir and by Charles Martin of Alton, former choir director here. As part of the celebration, more than 200 youngsters who attend the Mount Zion Church School helped to consume a "giant-size" milkshake prepared for the children by Von Ruffell, bus ministry director.

A total of 340 congregation members and friends participated in the noon potluck dinner.

The afternoon service, commencing at 2 o'clock, featured two former pastors.

The Rev. Robert Helms, now of Benton, Ill., offered the message and song and the Rev. Fred Latch of St. Charles, Mo., delivered the sermon.

Mrs. Flo Monroe, a charter member of the Granite City church, presented a resume of Mount Zion's 25-year history. Special singing was furnished by the Matt Martin Family of

Elsinore, Mo., and by Charles Martin.

Mrs. Carolyn LeMaster of Granite City and the Rev. Bill Elledge, pastor of New Hope Baptist Church, St. Louis, were the soloists.

A duet was sung by Mr. and Mrs. Chester Brannaman of Centerville and personal testimonies were offered by many of those present.

The month-long anniversary celebration concluded with an evening dinner and a fellowship hour.

Mount Zion General Baptist Church is located on Benton Avenue at 21st Street.

Miss Strackeljahn is betrothed

Mr. and Mrs. Robert Strackeljahn, 3204 Amherst St., Collinsville, are announcing the engagement of their daughter, Jessica Lynn Strackeljahn, to Roland Craig Trempey, a son of Mr. and Mrs. Robert Trempey of Quito, Ecuador.

The bride-elect, a 1974 graduate of Collinsville High School, is presently attending Moody Bible Institute in Chicago. She formerly was employed by Medicare Pharmacy in Collinsville. Her fiancé was graduated in 1973 from Alliance Academy in

Quito. He is employed by Helix Limited, Chicago, and also is a student at the University of Chicago, Circle campus. His parents, formerly from Ohio, are missionaries in Ecuador.

A June wedding is being planned by the engaged couple.

STORAGE SHED ENTERED

A door handle was forced to gain entry to the storage shed at the home of Carl Puhse, 2724 Michigan Ave., it was reported Monday. A list of items believed stolen is being prepared.

ENGAGED. Miss Jessica Strackeljahn and Roland Craig Trempey, whose engagement is being announced by her parents, Mr. and Mrs. Robert Strackeljahn, 3204 Amherst St., Collinsville. A June wedding is planned.

GC graduates at William Woods

Three graduates of Granite City high schools are among the freshmen students who have completed five days of orientation at William Woods College in preparation for the start of the fall semester of classes at the Fulton (Mo.) school.

The local students are Miss Anne DeRuntz, daughter of Mr. and Mrs. James DeRuntz; Miss Kathleen Whelan, a daughter of Robert Whelan; and Miss Paula Marie Williams, daughter of Lieutenant Colonel and Mrs. Brocci Mort. All reside in Granite City.

The orientation featured meetings which introduced new students to campus life, registration, advanced placement examinations, advisory conferences and a social mixer.

The curriculum at William Woods College embraces programs leading to the bachelor of arts and bachelor of science degrees in 30 major disciplines and a bachelor of fine arts degree in art and theatre arts.

New programs provide for baccalaureate majors in art therapy, special education, equestrian studies, paralegal studies, interior design, early childhood education and other degree programs specially structured for career-oriented opportunities in the Foreign Service.

Additional opportunities in law, medical technology, nursing, animal science and

engineering are available through cooperative endeavors with other institutions.

For the past 14 years the college has opened with a capacity enrollment. Forty-five states and 11 foreign countries are represented within the student body.

Students attending William Woods are afforded educational opportunities through a reciprocal academic and social program with Westminster College for Men, also located in Fulton, Mo.

AO Charles Hormann assigned to Florida

Aviation Ordnanceman Three Charles E. Hormann, U.S. Navy, left here last week for his new base at the NAS Cecil Field, located near Jacksonville, Fla., after spending a 50-day leave with his mother, Mrs. Grace Hormann of Madison.

AO3 Hormann, 21, re-enlisted in the Navy last May 14 while serving on board the USS Franklin D. Roosevelt. He was graduated in 1972 from Madison High School and entered the Navy in July of the same year.

Additional opportunities in law, medical technology, nursing, animal science and engineering are available through cooperative endeavors with other institutions.

Cuba, Sweden on Percy's agenda?

Washington — Premier Fidel Castro of Cuba would like to talk with Sen. Charles H. Percy of Illinois.

So would officials in Sweden. These two bids come almost on the heels of his recent visit to the Soviet Union and his return from the People's Republic of China. In fact, the Cuban invitation is so new it has barely caught up with him on his Illinois travels during the

Congressional recess. Percy's avid interest in world affairs takes him abroad frequently. Cuba and Sweden would give him a chance to broaden this experience. He already has a Washington reputation as probably the one senator who has done the most fact-finding travel overseas. His travels to learn about foreign affairs first-hand often inject Percy's name into

speculation here as a potential secretary of state should Henry A. Kissinger shuttle off the diplomatic track.

An aide says Percy "currently" has invitations to visit Cuba and Sweden.

The first secretary of the Cuban Mission to the United Nations has indicated Percy "would be welcome on a visit."

If he accepts, there is no doubt he "would meet with Fidel Castro."

Their discussions probably would turn on lifting of the U. S. embargo on foods and medicine. Later, Percy probably would recommend resumption of normal diplomatic relations in due course.

Sweden's Deputy Foreign Minister visited Percy last month to discuss nuclear disarmament — a subject of deep concern to the neutralist Swedes.

The Swedes have taken note of Percy's role on the Senate Government Operations Committee to Establish Safeguards Over Nuclear Material and his request to Chairman John Sparkman of Foreign Relations for a joint hearing on the Triad concept, the strategic nuclear "mix" of bombers and land-based and submarine missiles.

There's no handy list of Percy's extensive foreign travels. They probably began when then President Dwight D. Eisenhower sent him as his representative to presidential installations in Peru and Bolivia.

Percy has not visited widely in Latin America, although he visited President Alvarez Luis Echeverria in Mexico.

Lunch cost policy at Madison

Madison Community Unit District 12 has announced its policy for free meals, free milk, and reduced price meals for children unable to pay the full price of meals and milk served under the national school lunch and special milk programs.

School officials have adopted the following family size and income criteria for determining eligibility:

For a family of one, the limit of income for free meals and free milk is \$3,230, while the limit on family income for reduced price meals is \$4,520; family of two, \$4,240 and \$5,930; three, \$5,250 and \$7,350; four, \$6,260 and \$8,770; five, \$7,190 and \$10,000.

Six, \$8,110 and \$11,360; seven, \$8,950 and \$12,330; eight, \$9,790 and \$13,700; nine, \$10,550 and \$14,770; ten, \$11,310 and \$15,840; eleven, \$12,060 and \$16,890; twelve, \$12,810 and \$17,940. For each additional family member the income limit for free meals and free milk increases \$750, and for reduced price meals increases \$1,050.

Children from families whose income is at or below the levels shown are eligible for free meals, free milk, and reduced price meals. In addition, families will be determined against criteria but with other unusual expenses due to unusually high medical expenses, shelter costs

in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

Authorities must consider both the income of the family during the past 12 months and the family's current rate of income to determine which is the better indicator of need for free or reduced price meals to reflect family wage earners' present level of employment. In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his race, sex, color, or national origin.

Aids underprivileged

Pam Tester, 4028 Vesel Ave. part of a group of United Methodist Youth from Southern Illinois, has completed a trip to John's Island in South Carolina, where she spent part of her summer working with the underprivileged.

She is the daughter of Mr. and Mrs. Joel Tester and is a student at Granite City High School North.

Pam, representing the Nameoki United Methodist Church, was the only student selected from this area.

The group of 23 youths and eight adults, sponsored by the Southern Illinois United Methodist Conference, traveled by bus and stayed in Methodist Churches while en route. They were housed at the high school during their stay at John's Island.

Their duties included painting homes inside and out, roofing a home and replacing broken shingles, cleaning yards and pouring sidewalks, building shelves and putting up paneling.

A "fun time" was had at Stone Mountain, Ga., and Six Flags over Georgia during the return trip.

The Rev. John Annable from Irvington, Ill., coordinated the trip.

PAM TESTER

TRAINS AT FORT POLK
Army Private Herbert L. Keller Jr., whose parents live at 1546 Third St., Madison, has completed the new "One Station Unit Training" (OSUT) program at Fort Polk, La. OSUT provides basic and advanced training with the same unit, on the same post.

LIST WITH COCHRANE-WOLF

Infant's death held due to natural causes

The death of Phillip James Vincent Jankowski, 8-month-old infant son of Kenneth and Rosemary Jankowski, was due to natural causes, according to results of a coroner's inquiry.

The child was pronounced dead at St. Elizabeth Hospital Aug. 12 after his parents found him without life in an infant swing at 2417 Edison Ave.

The infant's mother said she had fed the baby about 3 a.m. on that date and put him in a swing because he was teething and having a difficult time sleeping.

When the parents awoke about 6:30 a.m. they found the baby without signs of life. The child's father said the baby had not been previously ill, but had suffered a skin problem.

Admitted to Ill. College

James Pomeroy, son of Mr. and Mrs. Ivan Pomeroy, 2021 Manley Ave., Granite City, has been admitted to the 1975-76 freshman class at Illinois College, Jacksonville.

The state's oldest college, Illinois College is a private, liberal arts school. Currently, more than 800 students are enrolled in bachelor of arts and bachelor of science degree programs, stressing pre-professional training.

First classes are scheduled for Labor Day.

Disease hampers corn

By RON CORNWELL
Extension Farm Adviser
A new nematode disease of corn has been found in Illinois this year. The disease has been encountered in coarse, nonorganic sands along present or ancient river courses of Western Illinois and Southeastern Iowa. It has had a devastating effect on the early season growth of corn in those areas.

The problem is caused by a species of the needle nematode. The disease is characterized by severe stunting and mild chlorosis of the top growth of corn. Patches of affected plants occur in fields of otherwise normal looking corn. The patches of stunted plants are in contrast to the more general stunting caused by root worms.

The root systems of affected plants show varying degrees of yellowing, gnarling, stubbiness and multiple branching of primary and secondary roots. There is a decrease in the number of feeding roots. Anyone observing these type symptoms in corn should contact the Cooperative Extension office in Edwardsville.

+++

The western corn rootworm was found during early August in St. Clair County for the first time. The western rootworm has been found in most counties north of a line from St. Louis to Charleston. It never has been reported in Madison County.

Since the insect has been found in St. Clair County, it most likely is present in Madison County. The western rootworm adult is a black and yellow striped beetle and does

considerable damage to corn plants. Anyone finding a western rootworm adult in Madison County should contact the Cooperative Extension office.

+++

A few years ago, a farmer raising wheat had to seed wheat after the fly free date because most wheat varieties didn't have resistance to the Hessian fly. With the improved varieties available today, most are at least partially resistant to the Hessian fly, enabling farmers to plant wheat earlier in the fall.

Early planting has its advantages and disadvantages. Early planting can give added growth in the fall, but this can create problems. In many years disease will be a greater problem in early seeded wheat. Susceptible varieties are subject to Hessian fly attack when seeded early.

+++

Fly free date for Madison County is Oct. 7 to 9. Hessian fly susceptible varieties must be seeded after this date while fly resistant varieties can be seeded before fly date. It is not recommended that wheat be seeded over ten days to two weeks ahead of fly date.

+++

The normal wheat seeding rate recommended is one and a half bushels per acre. There is no advantage to using a heavier rate unless wheat is to be seeded very late in the fall.

+++

The highest producing herds in Madison County Dairy Herd Improvement Association in July were Mrs. Freda Linenbrocker, Henry Zoelzer, Jim Beane, Leland Steiner, Vernon Hitz, George Daiber, Vernon Warnecke, Vernon Becker,

Marvin Stille, Ray Bertels, and Clarence Iberg.

The herd of Mrs. Freda Linenbrocker was high for the month with 1.69 pounds butterfat per cow per day. The Linenbrocker herd of 38 cows averaged 47.4 pounds milk per cow per day with an average butterfat test of 3.56.

Completing 305 days lactation with a record of 650 pounds or more of butterfat was a 5-year-old cow in the herd of Clarence Iberg with 731 pounds butterfat and 704 pounds milk and a 4-year-old cow with 704 pounds butterfat and 15,583 pounds milk, a 3-year-old cow in the herd of Henry Zoelzer with 702 pounds butterfat and 15,588 pounds milk, a 5-year-old cow in the herd of Hilmer and Martin Schoenbaum with 688 pounds butterfat and 17,360 pounds milk and a 7-year-old cow with 657 pounds butterfat and 15,704 pounds milk.

BOY, 3 INJURED
Brian Palmisani, 3, of 99 Briarhaven Drive, was injured this week near his home when he ran into the side of a taxicab, owned by Dave's Taxi Company and being operated by Charles Allison, 1517 Fourth St., Madison, according to witnesses. He was treated at St. Elizabeth Hospital for abrasions to his nose and right knee and suffered bruises to the left side of his head. The youngster was admitted for observation.

Sister Margaret Mary new principal at St. Elizabeth

Sister Margaret Mary, CDP, who graduated from St. Mark's elementary school in Venice, has assumed her duties as the new principal of St. Elizabeth Catholic School.

After graduation from the 8th grade, she applied for admission to the preparatory school for girls who wished, on completion of requirements, to enter the Order of the Sisters of Divine Providence.

Sister Margaret Mary spent two years in the preparatory school and three years of training for her religious life in this particular community, then began her college studies and teaching.

She received her bachelor of arts degree in English and her master's degree in educational administration from St. Louis University.

During her professional years she has served as principal of elementary schools for 17 years and taught in grade schools, high school and college.

SISTER MARGARET MARY
Principal

spent only two years in the state of Illinois as a teacher and now I am very happy to be back in my home diocese."

Court regulates price quotations on gasoline

Illinois Attorney General William J. Scott has announced that an agreement to eliminate misleading advertising of gasoline prices by service stations in Illinois has been filed in Cook County Circuit Court. The agreement, reached by the attorney general's office, the Illinois Department of Agriculture, and three gasoline wholesalers, was filed with Cook County Circuit Court Judge Arthur L. Dunne, who made it a court order.

The court-ordered agreement ends a suit by the three oil companies, Checker Oil Co., Go-Tane Service Stations, Inc., and Disco Oil Co., all Illinois corporations. The oil wholesalers had sought an injunction to prevent the state agricultural department from enforcing a ruling that displayed or advertised prices must equal the price stated on the gasoline pumps.

The Agricultural department enforces weight and measure legislation.

Scott said that under the agreement, all gasoline retailers in the state may advertise gasoline prices in one of two ways:

By displaying a price per gallon equal to the price per gallon on the gasoline pumps and marked "all taxes included";

Or, by displaying a price per gallon which includes the federal excise tax and Illinois motor fuel tax only, with the designation "plus sales tax," and the total amount of sales tax and Regional Transportation Authority tax, if any, stated below.

If the sales tax is listed separately, the letters and numerals on such designation must be solid black on bright yellow background, and must meet a minimum height and width requirement.

For instance, if the height of

the price numerals without the sales tax is 12 inches, the minimum height of the added tax must be one-third of that, and the minimum width of each letter three-eighths of an inch. A graduated scale regulates height and width for larger displays.

Scott said the agreement should help Illinois consumers by preventing misleading advertising of gasoline prices throughout the state.

Calvin Campbell, chief of Scott's Revenue Litigation Division handled the suit for the attorney general's office.

Venice youth charged in robbery case

Melvin Woolfolk, 17, of 1034 Douglas St., Venice, has been charged by Madison police with armed robbery and attempted rape in connection with a robbery of the American Sales Dollar Store, 314 State St., Madison, Aug. 20.

Woolfolk was arrested after an investigation by the Madison Police Department and officers alleged he was identified by victims in a lineup at Edwardsville.

The robber entered the store, according to the victims, rifled the cash register of an undetermined amount of money and told one woman he was going to assault her.

When the telephone rang and another woman called out that someone was coming into the store, the robber became frightened and grabbed a paper bag containing the cash and fled on foot.

DAV 'Forget-Me-Not Days' Sept. 8-13 proclaimed

A proclamation setting Sept. 8 through Sept. 13 as Disabled American Veterans Forget-Me-Not Days has been signed by the four mayors of the Quad-City area.

The proclamation urged citizens of the area to purchase forget-me-not flowers of remembrance that will be placed on sale Sept. 11 through 13 throughout the area.

Signing the proclamation were Mayors Paul Schuler of Granite City, Mike Sasyk of Madison, William Ebersoldt of Venice and Floyd David Moss of Pontoon Beach.

Proceeds of the forget-me-not sales are used by the DAV in its work with disabled veterans and their dependents.

The proclamation said: "Many disabled veterans,

their families and their dependents are in need of counseling, rehabilitation assistance and advice pertaining to government rights and benefits."

"The Disabled American Veterans, chartered by Congress as the official voice of the nation's wartime disabled, is rendering a vital service to the disabled veterans of this community. The DAV has pledged itself to protect existing benefits and help obtain additional needed benefits for America's disabled defenders."

The mayors commended the DAV for its service to the disabled and in his proclamation requested "all citizens, interested groups and societies to participate in the day."

Plans for Forget-Me-Not Day are being formulated by Disabled American Veterans and Chapter 53 under the direction of Charles Rittberger, commander.

The complete proclamation text is as follows:

"Whereas, the war is not over for our disabled veterans who have given a part of body and well-being in the wartime service to our nation; and

"Whereas, many disabled veterans, their families and their dependents are in need of counseling, rehabilitation assistance, and advice pertaining to government rights and benefits; and

disabled, is rendering a vital service to the disabled veteran of the community and area; and

"Whereas, The DAV has pledged itself to protect existing benefits and help obtain additional needed benefits for America's Disabled defenders; and

"Whereas, The DAV has chosen Sept. 8 thru 13 as its annual Forget-Me-Not Days in this community, the funds derived from said day to be used in behalf of the disabled veteran and his dependents in this community;

NOW, THEREFORE, we do hereby proclaim Sept. 8 through 13 as Disabled American Veterans Forget-Me-Not Days and request all citizens, interested groups and societies to participate.

\$400 RADIO STOLEN

A \$400 citizens' band radio was stolen from a car parked on the Hundley Auto lot, 18th Street and Madison Avenue, after the right wing vent window was forced open, it was reported Monday.

MOTORCYCLE STOLEN
The black 1973 Harley Davidson Sportster of Charles Rollins, 2020 Twelfth St., was stolen from the yard of his home, he reported early this week.
